THE MORNING OREGONIAN, WEDNESDAY, JUNE 15, 1904.

trial spin down the river yesterday, and trial spin cown the interpretation of anything of her size on this side of the Continent. She is equal to the bar tugs at the mouth of the Columbia, and will supply a want long felt at Gray's Harbor, where she will

The During is 115 feet long. S feet beam and 13 feet depth of hold, and her tonnage is 237. She has 700 horsepower, compound fore-and-aft engines, and two Scotch marine boliers 19 feet 6 inches square, with marine policy is feet a increase square, with a steam pressure of 360 pounds. The boat is supplied with the latest appliances in the way of towing machinery, and has electric lights throughout, searchinght, and the usual accommodations for officers and

The hull of the tug was built by th The hull of the tug was built by the Landstrum Shipbuilding Company, at Ab-erdeen, and is a remarkably fine piece of work. On its completion, it was towed around to this port for the installation of the machinery. The engines and bollers were provided by the Willamette Iron & Sizel Works, which took the contract in competition with all the large engineer-ber contacts on the Group and a number competition with all the large engineer-ing concerns on the Coast and a number of well-known Eastern companies. The tugboat, when complete, will cost \$65,000. Captain A. T. Stream, who superintend-ed her construction, will be master of the Daring. Her mate will be T. W. Stream, a son of the captain, and George Birkin-shaw will be chief engineer. On the pro-liminary trial yesterday, the Daring steamed about two miles below the mouth of the (olumbia. The test was satisfacsteamed about two mises below the mouth of the columbia. The test was satisfac-tory in every way. Among the large crowd of invited guests aboard was W. H. Corbott, president of the Willamette Iron & Steel Works, and B. C. Ball, chief en-

& Steel Works, and B. C. Ball, chief en-gineer of the same company. The tugboat is practically completed, re-quiring only a few finishing touches be-fore she is ready for service. Capital Stream expects to leave the latter part of the week for Gray's Harbor, where the Daring will go into commission, tow-ing vessels to and from sea, and, if neces-ners attending to long distance towing. sary, attending to long distance towing. The officers of the Gray's Harbor Tugboat Company, the owners of this fine boat, are A. J. West, president; C. R. Wilson, vice-president; Fred A. Hart, secretary; Bert Middleton, treasurer, and Captain A. T. Stream, manager,

STEAMBOATING AGAIN LIVELY.

Balley Gatzert and Charles R. Spen cer Bring Down Large Crowds.

Competition is becoming keen on the Upper Columbia route, but has not yet reached the stage of rate-outing. The steamers Bailey Gatzert and Charles R. Spencer are now running on the same schedule, and are making things interest-ing on the water front. Both boats got in from The Dailes about 2.30 yesterday afternoon, and they brought down good crowds.

The change in the timecard of the Bailey Gatzert has also necessitated changes in the other boats of the Regu-lator fleet. The Gatzert leaves here for The Dalles Monday, Wednesday and Fri-The Dailes Monay, Wennesday and Fri-day mornings, the Dailes City going up Tuesday, Thursday and Saturday. The Regulator will look after local freight, but not running on regular schedule. The steamer Sadle B., of this line, be-

gan regular service above the Cascades yesterday morning. She will leave the locks every morning at 7 o'clock, making the round trip to The Dalles and back

TUGBOAT FOR GRAY'S HARBOR

NEW STEAMER DARING, WHICH HAD HER TRIAL TRIP YESTERDAY.

PROHIS WILL GO EAST leave here to search for the American bark Holliswood, supposed to be in distress somewhere off the coast. The ves sel has a crew of 15 men, commanded by Captain Knight, and carries 1400 tons of coal. On May 16, in response to sig-nals of distress, she was supplied with SEVENTEEN DELEGATES TO ATprovisions by the bark Prussia, out of Senttle, but since then has not been heard from. She is bound from Newastle, Australia, for this port

Marine Notes.

The French bark Lacnnec left down the river at noon yesterday, bound for the United Kingdom with 107,326 bushels of wheat, valued at \$80,869, dispatched by Balfour, Guthrie & Co.

The tank steamer Asuncion arrived up yesterday with crude oil from San Fran-cisco for the Standard Oil Company, which was discharged at Portsmouth.

HOMEOPATHS IN SESSION.

State Society Discusses Many Medical Topics and Elects Officers.

MRS. DELLA HOUSTON ELECTED GRAND WORTHY MATRON.

HEADSTHE EASTERN STAR WEAK STOMACH

Grand Chapter of Oregon Will Install Elective and Appointive Officers Today.

The Grand Chapter of Oregon, Order of the Eastern Star, yesterday elected a Portland woman as worthy grand matron. the Eastern Shir, yrsterial theorem of the statern Shir, yrsterial that matron. Mrs. Della J. Houston received this hon-or, being elevated by the election from the office of associate grand matron, which ahe held last year. Mrs. Houston is a member of Martha Washington Chapter. No. M, and is very popular with members of the order all over the state. The great-est satisfaction is expressed by all the delegates over the result of her election. The other officers elected at yesterday's session were: Worthy grand patron, O, P. Coshow, Roseburg; associate grand ma-tron, Inez M. Ryan, Oregon City; asso-ciate grand patron, George M. Hyland, Portland; grand secretary, Mary Scott Myera, The Dalles; grand treasurer, Chara F. Lyle, La Grande; grand conductress, Bay L. Sheridan, Ashinnd; associate grand conductress, Florence Nasberg, Marsh-field.

field. The convention voted a fund of \$500 to be set aside for use in making an ex-hibit at the Lewis and Clark Fair. The delegates were a unit in considering this the moost important move made at the session, and named as a committee to have the fund in charge the five highest officers grand worthy matros grand officers-grand worthy matron, grand worthy patron, grand secretary, associ-ate grand matron and associate grand

patron. The day was a busy one for the conven-tion and many matters of importance were disposed of during the regular course of the session. Last night was a secret sension, exemplification of the work being given by the Evangeline and Tuala-tin Chapters. This morning the appointive offeren will be remed and this afternoon

being given by the Lvangenne and taive tin Chapters. This morning the appointive officers will be named, and this afternoon installation of all officers will take place. The grand matron has appointed the fol-lowing grand representatives near other grand jurisdictions on recommendation of their respective grand matrons: Alabama, Mrs. Lena Watkins; Arkan-sag, Mrs. Sarah Woodson; Georgia, Mrs. Nellis Wilkerson; Illinois, Mrs. Mary Houts Goddard; Iowa, Mrs. F. W. Craig: Kanasa, Mrs. Fannie Cormack; Massachu-setts, Mrs. Kittle B. Daniels; Minnesota, W. M. James; New Hampshire, Mrs. Harriet Moore; New Jersey, Mrs. Emma Farrier; Ohio, Mrs. Hannah Hoover; Pennsylvania, Mrs. Minnle Grove; Scot-land, Mrs. Jannet H. Brown; Vermont, Mrs. Willie C, Criswold. She also recommended the appointment of the following members as grand repre-

of the following members as grand repre-

Arizona, Mrs. Florence Cornell; Connec ticut, Mrs. Rose J. Wilson; District o ticut, Mrs. Rose J. Wilson; District of Columbia, Mrs. Alice Townsend; Illinois, Mrs. Margaret Kellogg; Massachusetts, Mrs. Margaret Lutke; Michigan, Mrs. Belle G. Steiner; Missouri, Miss Elizabeth M. Yoran; Montana, Mrs. Florence Nas-burg; New Jersey, Miss Pauline Looney. The worthy grand patron has recom-mmended the following for the good of the order:

"Having observed, through fraternal correspondence and the proceeding in general of other grand chapters, a very great dif-ference in the working of the order in difference in the working of the order in dif-ferent states, also the experience of the Masonic order, I am strongly of the opin-ion that it would be for the good of the order to have a general grand body of some kin, with authority sufficiently strong to prevent the withdrawal of grand absorber from the general organization chapters from the general organization, with little or no reason, and still enjoy all the privileges of the order. This lack of organization is very noticeable in the Mamonic Blue Lodge, corrected to some ex-tent in the Grand Chapter of Royal Arch Masons and found working to practical perfection in the Grand Encampment of Knights Templar."

SCOTTISH RITE MASONS' BALL

Joyous Occasion Closes Half-Yearly Reunion at the Cathedral.

Duffy's Pure Malt Whiskey

It is an absolutely pure tonic-stimulant, pre-scribed exclusively by nearly 10,000 doctors and used in more than 2000 hospitals in all and used in more than note the solutions of body, brain, nerve and muscle. Absolutely pure and free from fussi oil. All druggints and grooses, or direct, \$1 a bottle. Medical booklet free. Duffy Malt Whiskey Co., Rochester, N. Y.

at the Masonic Temple at Third and Al at the Massonic Temple at Third and Ai-der street at 10 o'clock this morning there will probably be 500 delegates present. The lodges of Portland are doing all in their power to make their visiting brethrem welcome and were aided by the public bodies. All the grand officers are gres-ent, namely: S. M. Yoran, of Eugene, grand master; Thomas Gray, of Portland, deputy grand master; Dr. W. H. Flan-magan, of Grant's Pass, grand senior war-den: Dr. W. T. Williamson, of Salem,

den: Dr. W. T. Williamson, of Salem, grand junior warden; Henry Roe, of Port-land, grand treasurer, and J. F. Robinson, The officers will be able to report the order as growing and thriving. Mr. Robin-son will announce a membership of about 6000 in 104 lodges. This is an increase of about 600 members and four lodges in

After the delegates assemble this morn-ing, the first business will be the appoint-ment of a committee on credentials. After ment of a committee on credentinis. After this has reported, the other committees will be appointed and then the grand mas-ter will deliver his address, reporting on his actions during the past year. The reports of the grand secretary and treas-urer will follow and possibly verbal re-ports from the committee on the educa-tional fund, the trustees and the grand becurger. This is far as the programme

lecturer. This is far as the programme has been arranged. The principal entertainment offered the Masonic bodies which are now meeting in the city will be a reception by the Com-mercial Club, which the board of gover-nors decided to give at the clubrooms in the Chamber of Commerce building at 8 o'clock this evening. The invitation la extended to every Mason in the city, whether a member of the grand lodge or not, and whether resident or visiting, as well as to all members of the Com-mercial Club. The reception will be in-formal and music will be provided and an enjoyable time is assured. The follow-ing committee on entartainment will have Masonic bodies which are now meeting ing committee on entertainment will have charge:

Third and Washington.

THE **OF QUALITY**

"O'Sullivan" on a rubber heel is

like "Sterling" on silver. When you buy silver you look for the mark-you don't have to apply the test to find what's under the surface for the word "Sterling" tells

the whole story. Buy rubber heels by the mark of Quality-it is the only safe way.

stamped on the trend face of a rubber neel also tells the story. You need not be an expert in compounding rubber. It is put there to protect the buyers of rubher against the encroachment of rubbish. O'Sullivan's are 50c, attached,

Do not let dealers charge this price unless the rubber heels have the Mark of Merit.

50 PER CENT OF THE ADULT POP-ULATION SUFFER FROM ONE PAINFUL AILMENT.

Think what this means. Imagine the amount of misery that exists and is endured simply because people do not know there is an absolute cure.

The only way to cure any complaint is to remove the cause. There are very few diseases or ailments that can be cured by external application-and piles is not one of them. Piles can be cured; the treatment must, however, be internal, for the cause of piles is an internal disorder of the liver or the bowels. Even catarrh of the stomach and bowels can be cured by DR. PERRIN'S FILE SPECIFIC, The Internal Remedy. Here is an instance of what this practically infallible remedy will do:

Dr. C. A. Perrin, Helena, Mont,-Dear Sir: I have nearly finished the former bottle of Perrin's Pile Specific and am practically well. My case was one which most physicians would have pronounced incurable, as I was afflicted with a dysentery and compelled to go to the toilet room from three to five times each day and each time would bleed from one-half to one teacupful. I had to resort to bandages and absorbent cotton to check the flow of blood, and now the past ten or twelve days there has been no sign of bleeding and my appetite is good; have gained ten pounds in weight and feel like a

new lease of life was given me. Very truly yours,

T. R. HARRIS, October 20th, 1902. Yerington, Nev.

Dr. Perrin's Pile Specific is sold by all reliable druggists at \$1.00 the bottle, under an absolute guarantee to refund the money should this great internal remedy fail to

Wh very nearly set me crazy, the skin would peel off and the fiesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything that I was told to use for fully three years, but could get no relief. I tried at least eight different doctors, but none of them seemed to do me any good, as my hands were as bad when I got through doctoring as when I first began. I also tried many reme-dies, but none of them ever did me one

cent's worth of good. I was discour-sged and heart-sore. I would feel so bad mornings when I got up, to think I had to go to work and stand the pain on the treatment of pneumonia; Dr. D. C. Webster will discuss "A Case of Enu-resls," and Dr. Royal, the new president, will speak on "Poisoning by Primula Ob-conica." There are some outside practitioners who are booked for addresses, but of these only J. K. Rieder, of Ashland, has famed his subject. He will tell of his experiences with Japanese doctors when a commissioner to the Osaka Exposition a year ago. Dr. C. E. Geiger, of Forest for ten h for ben hours, and force I started ing up my position. Before I started to work mornings I would have to wrap every finger up separately, so as to try and keep them soft and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves in bed. In fact, I had to wear gloves Grace Jones, Miss Lillian Farwell, Miss Ioa K. Irons, Miss Grindstaff, Miss Long, Miss Eva Long, Miss Maude Rell, Miss Enla Mc-Cully, of Salen; Miss Clarice McGlaufin, Miss Giltner, Miss Harreschou, Miss Emma Prince, Miss Nora Younger, of Pendleton; Miss Alice Juston, Miss Alma Francis, Miss Lucy A. Chamberlain, Miss Mamis Helen Flynn, Miss Lucy A. all the time. But thanks to Cuticura, the greatest of all great skin cures. After dectoring for three years, and spending much money, a 50c. box of Cuticura Olutment ended all my suffer-
