STORIES OF WAR AFFECT MINDS

Insane Patients, After Long Discussion, Make a Dash for Liberty.

NEW YORK, June 22—Stories of the war in the Far East have caused an outbreak among the inmates of the Morris Plains Insane Asylum near Morristown, N. J. Half a dozen lunatics who had en-

gaged in a long controversy, finally made a break for liberty. They crossed Speedwell River and hastily threw up a small fort of timbers on the top of a hill. Attendants attempted to carry the works, but were met by volleys of stones and beat a hasty retreat. For three hours the fort held out. Then a truce was arranged and the commander of the garrison agreed to a parley as escape was impossible.

the keepers was held under the white flag on a big flat stone in the middle of the river. In all seriousness the lunatics, after a long wrangle, agreed to surrender, having been granted some small favors. No losses were reported beyond a few braided heads.

ANTI-HEARST MEN IN LEAD.

Minnesota Democrats, However, Give No Instructions.

DULUTH, Minn., June 22—The Hearst forces captured the temporary organization of the State Democratic Convention for the selection of National delegates today. The anti-Hearst men secured three

of the four delegates at large and will get an even break on the district delegates. The delegates elected are John Lind, of Minneapolis; L. A. Downing, of Canon Falls; H. L. Buck, of Winona, and C. D. O'Brien, of St. Paul. The delegates are uncommitted.

The resolutions declare for a reaffirmation of Kansas City platform and laud William J. Bryan as the greatest Demo-

cratic statesman of the day. Both factions are Bryan supporters.

Vermont Democrats Uninstructed. BURLINGTON, Vt., June 22—The Democratic Party of Vermont at its State Convention today declined to instruct the delegates to the National Convention to vote for the nomination of Judge Parker for President, but just before adjournment a

motion was adopted giving expression to the opinion that Judge Parker was the most available candidate.

The delegates were instructed to act as a unit on all questions.

The Denver & Rio Grande will run a series of special personally conducted excursions to St. Louis during the World's Fair. On call at 154 Third street for particulars.
