List of Mighty Bargains for Morning Buyers-8 to 12 A. M.

Getting ready for a greatly increased business when Autumn comes. Our buyers and commissionaires are scouring the world's markets now for worthy novelties and high-class staples. Already the goods are arriving—advance guards that hint of the host to follow. CLEARANCE is the order of the day now; for, even with the enlarged selling space accorded by the new Sixth-street annex, now nearing completion, our phenomenally growing business demands even greater facilities for proper service to patrons. So we're making sacrifices without stint to rid ourselves of present stocks and obtain ample space when the new season opens. We're also helping manufacturers and importers to "clean house"—taking surplus stocks at ridiculous prices and turning them over to you at same matchless reduction. THESE GREAT MIDSUMMER CLEARANCE SALES ARE NOTABLE not only for low prices on goods of standard quality, but for wide scope of the offerings. Be sure to come here every day or two, watch our announcements closely, 'tis the only sure way to know of THE EXTRAORDINARILY SENSATIONAL BARGAINS WE'RE SO FREELY DISTRIBUTING! EXTRA FORENOON INDUCEMENTS TODAY.

A Talk About Sheets

70c Sheets Again 58c

But for All Day

By our Domestic Man—First Floor. A "Cheap John" dealer in trash of the most worthless sort tried to catch a few unwary buyers the other day, by offering in competition with an advertised special of this Quality Store a 9-4 size, single-texture sheet of cheapest grade at 3c each less than we advertised and sold a 10-4 size of our famous "ECONOMY SHEETS," which have reinforced centers, that increase their wearing quality to double and lessens the tendency to wear thin and tear before the sides are worn out. We are sole agents for Portland for their sale. As in other cases, the makers of these famous sheets came to us—Portland's leading store—to introduce their wares—sheets that for economy and durability have no equal in the world. And we have sole agency. It was this store that first sold ready-to-use sheets in Portland. The 9-4 sheet our imitators substituted for our 10-4 size sheet—which they termed an "out size"—"out" to them, for nothing but skimpy sizes in everything "goes" at that shop—was not (as advertised by their LITTLE WILLIE-THE-CASH-BUY-WHO-WRITES-ADS) a double-bed size. This goes to show how far people may believe the "mocking-bird's" ads and the methods they employ to deceive the public. We will willingly give our imitator's domestic section ad-writer a few pointers about sheets if he'll come in and look over our immense lines of best quality sheets made in America. The information will do him good and help the "cuckoo" shop's patrons. We doubt the ability of our senile imitators to duplicate this value for ALL-DAY SELLING TODAY. Regular 70c values, best quality, 10-4 size—for double beds—of our famous reinforced centers, "Economy Sheets" that have double the wear of any others, unbleached, 2½x2½ yards square. Special for all-day selling Thursday at, each.....58c
