A CLEAN-UP SALE OF Housekeeping Linens

First Floor.

Few, if any, houses west of Chicago have a trade in Household Linens of the better sort so extensive as ours; and, as is inevitable in so great a business, odd lots, mussed lots and unmatched patterns accumulate fast and in considerable quantities. There's but one way to clear the linen stream, and that's to raise the locks and flush the canal by a torrent of deeply cut clearance prices that will send out the linens among the homes, the hotels, rooming-houses and restaurants that will be glad to get them at these slaughter figures. Such a clearance starts in the linen aisle today and lasts a week. Especially in such sales do early pickers get the choicest bargain cherries—"a word to the prudent wife"—The Great Housekeepers' Hotel and Restaurant Sale Opens today! We print a few prices that speak for immense stocks—prices that represent but fragments of the splendid values that await you in our SATISFACTORY LINEN STORE—TODAY.
