

BRYAN LOSES IT

Mrs. Bennett Wins the \$50,000 Will Case.

SUPREME COURT DECIDES

Letter Left by New York Man Not Binding on Widow.

NO DISSENTING OPINION

Nebraskan Refuses to Discuss the Matter Further Than to Say It Was a Close Question to Pass Upon.

NEW HAVEN, Conn., Aug. 12.—A decision adverse to W. J. Bryan in his contest over the will of the late P. S. Bennett, of New York, and this city, was handed down today by the Supreme Court of Errors. The decision virtually denies that Mr. Bryan is entitled to the \$50,000 mentioned in the sealed letter written by Mr. Bennett and addressed to his widow, which was to be read by her after his death. By this letter, the widow was asked to give \$50,000 to Mr. Bryan and his family.

Bryan Will Not Discuss Matter. INDIANAPOLIS, Aug. 12.—W. J. Bryan was in Indianapolis tonight on his way to Freeport, O. When told of the decision of the Connecticut Supreme Court of Appeals he declined to discuss the matter further than to say: "It was a close question to decide."

PARKER OUT AND OUT FOR GOLD

He Resents Insinuation of Double Dealing on the Money Question.

ESOPUS, N. Y., Aug. 12.—Judge Parker made no interposition in the gold standard and in his speech of acceptance at the ceremonies which occurred at Rosemount on Wednesday. His manuscript as given in advance to the press was followed to the letter in so far as reference was made to the gold standard telegram sent to the St. Louis convention. Some few changes in phraseology, or to be more exact, of synonyms, were made in relation to other subjects, but not one deviation affecting the original meaning of the speech. This statement is made on the highest authority obtainable, and is confirmed by several newspaper men who followed the speech during its delivery.

When Judge Parker's attention was called to what purported to be his interposition he made it clear that he had no objection to the circulation of a story to the effect that he had emphasized his conviction that the gold standard is firmly and irrevocably established, as it had been his intention to place as much emphasis upon his position in that regard as was possible for him to do.

Elms of double dealing on the part of Judge Parker have aroused in him a feeling of resentment that such charges should be made without the slightest foundation in fact. The alleged interposition is as follows: "I want my position on this question thoroughly understood. I thought it was understood before I sent my telegram to the St. Louis convention. But in order that there may be no misunderstanding in the future, I desire to reiterate on this occasion that I am unalterably, irrevocably and heartily opposed to any change in the existing money standard."

This statement, accredited to Judge Parker, was not regarded at Rosemount to be as convincing as that which he did use and which was printed as a part of Judge Parker's speech. It is considered involved in comparison with the concise language of the speech itself. It was made plain at Rosemount that Judge Parker would stand by his speech as written and with the unimportant changes of delivery, but that he wants it understood there has not been, and will be no double dealing in relation to the gold standard, or other questions discussed in his speech. He believes that the country understands his convictions, but he has made it clear that his misunderstanding does arise, he will strengthen in every way possible the stand he has taken on the money question. He entertains no fear of loss of votes on that subject, and has declared if such a danger were manifested his position would remain unchanged to the end of the campaign.

Parker Passes a Quiet Day. ESOPUS, N. Y., Aug. 12.—There were no visitors at Rosemount today, and Judge Parker took a longer horseback ride than usual. He was accompanied by Mrs. Parker.

A delegation representing the Inter-Denominational Council of Women for Christian and Patriotic Service called on Judge Parker today to discuss the anti-polygamy question with him. They gave to Judge Parker a complete copy of the testimony in the Senate investigation of the Smoot case, which the Judge was asked to read. While he did not promise to discuss the question of Mormonism in his letter of acceptance, it is known that he approved of the anti-polygamy plank of the St. Louis platform, and will give it consideration before concluding his letter.

To Notify Populist Candidates. ALBANY, N. Y., Aug. 12.—Jay W. Forrest, chairman of the Populist notification committee, announced today the names of those who will make the notification speeches at the meeting at Cooper Union, New York, August 13. Thomas Watson, the party's candidate for President, will be notified of his nomination by Judge Samuel W. Williams, of Vincennes, Ind.

Vice-Presidential Candidate Thomas Tibbets will be notified by ex-Senator Allen, of Nebraska.

The Populists have established National headquarters at the Union Square Hotel, New York.

Gets Democratic State Convention. CHEYENNE, Wyo., Aug. 12.—The Democratic State Central Committee has selected Rock Springs as the place where

the state convention will be held on September 3 for the nomination of candidates for Governor, State Treasurer and State Supreme Bench.

Roosevelt to Make No Speeches. NEW YORK, Aug. 12.—Chairman Cortelyou said today that President Roosevelt would not make any political speeches this year, setting at rest many rumors to that effect which have been in circulation. Beyond the speech to the notification committee and the letter of acceptance, which is yet to be published, the President will not take any public part in the campaign.

Aggressive Campaign for the West. WASHINGTON, Aug. 12.—Representative Tawney, of Minnesota, manager of the speakers' bureau at Republican headquarters at Chicago, today discussed with President Roosevelt some phases of the general work, particularly as to the West. An earnest and aggressive campaign is to be conducted in every Western State.

New York Democratic Convention. NEW YORK, Aug. 12.—David B. Hill said today that the Democratic State Convention probably would be held September 20, Saratoga, six days later than the Republican Convention.

TURKEY CAN DELAY NO MORE American Minister Will Have a Reply or Demand Passports.

CONSTANTINOPLE, Friday, Aug. 12.—Minister Leshman today saw Tewfik Pasha, Turkish Minister of Foreign Affairs, and renewed the urgent representations of the American Government for an immediate settlement of the demands of the rights of American citizens in Turkey. It is understood that important developments are expected within a few hours, either the Porte giving way or Minister Leshman demanding his passports.

After the interview with the Minister, Tewfik Pasha proceeded immediately to the Palace.

WILL LEAVE NO LOOPHOLE. America Will Make Agreement So Binding She Can't Get Around It.

WASHINGTON, Aug. 12.—While it is extremely difficult to secure any details of Minister Leshman's last communication and of the response of the State Department, it is gathered that the Minister has informed the State Department of the terms of the proposition advanced to him yesterday by the Turkish officials; that in principle these appeared to the State Department to be satisfactory and in line with what it has so persistently demanded. But there is after all a vague sense about the Turkish statements and promises that has caused the department, having in mind the experience in the way of promises, to instruct Mr. Leshman to see to it that these propositions are reduced to such concrete form and are made in such a binding manner that there cannot be any question as to their fulfillment hereafter by the Turkish government. It is confidently expected that the Turkish negotiators will accede to such a demand on the part of Mr. Leshman, and it is predicted that the negotiations will be concluded successfully by Monday next.

MEYER ASKS GERMANY'S ADVICE. Foreign Office Will Urge Turkey to Yield to Demands.

BERLIN, Aug. 12.—Official circles here think it probable that Turkey will ask for Germany's advice regarding the situation created by the American naval demonstration of Smyrna. Answering a direct question of the correspondent of the Associated Press as to what Germany would do in such a case, the Foreign Office answered that Germany would advise Turkey to at once satisfy the United States' demands.

Cabinet Considers the Situation.

WASHINGTON, Aug. 12.—Foreign affairs, to the practical exclusion of everything else, was considered at today's meeting of the Cabinet. The Turkish situation was discussed at length, and a line of action, in case of Mr. Leshman's efforts being unavailing, was agreed to, but its nature was not disclosed. Secretary Hay also presented to the Cabinet some important information cabled the department by Minister Griscom at Tokio, confirming the reports of a great naval engagement off Fort Arthur. It is said the discussion of the Russo-Japanese situation was purely academic, and not in any sense relative to the attitude of America toward either of the contending powers.

It is highly important that these organs should properly perform their functions. When they don't, what lameness of the side and back, what yellowness of the skin and constipation, bad taste in the mouth, sick headache, pimples and blotches, and loss of courage, tell the story.

Saturday Half Day Sales. THE EARLY BIRD GETS THE WORM. STORE CLOSÉS AT ONE O'CLOCK. THE EARLY BIRD GETS THE BARGAINS. IN ORDER TO GIVE OUR EMPLOYEES A WEEKLY HALF HOLIDAY. We will close our store every Saturday during August at one o'clock, P. M.

The Different Store. Olds, Norton & King. Portland's Quality Shop. "WHERE THE WALLS ARE COMING DOWN" FIFTH AND WASHINGTON STREETS

Do you enjoy trading at a store where the clerks have that tired, dragged-out appearance incident to long hours of drudgery, and where, when you ask to be shown an article, you are met in a listless, don't-care sort of way? We think not; and to avoid just such a condition of things, this modern establishment, with its eye always open to the interests of its patrons and employees alike, adopted years ago the policy of closing its doors every day in the year at 6 o'clock. The wisdom of this humanitarian movement has long ago been demonstrated. Not only has it met the hearty approval of our great public, but by so doing we have been able to better our store service, as the most competent salespeople of the city have been anxious to engage with us. No listless or careless people to wait on you in this store. Our employes perform a labor of love. They know that we consider their interests; they in turn consider ours. In order to show our appreciation in a substantial manner for the very excellent service they are rendering, and incidentally to equip them physically for the great Fall rush, we will close our store at 1 o'clock every Saturday during the hot month of August, giving each and every faithful helper a Half Holiday. And now, to do a greater business in five hours than the sleepy stores do in 13 1/2, we have ransacked this establishment from one end to the other, with the result that the bargains we offer for today exceed anything ever attempted in the history of merchandising in the great Northwest.
