SAN FRANCISCO, Aug. 24-(Special.)-Eddle Hanion has received a letter from Bob Dendy, of Philadelphia, stating that Bob Dendy, of Philadelphia, stating that he has matched Eddle to box Terry Mc-Govern six rounds in Philadelphia the latter part of September. Before Eddle left the East a few months ago, he was all but matched with McGovern, but as Harris or McGovern did not want to fight until the latter part of September, Han-her rather than remain idle came out

But the Dugs came back at them. If they could not hit Schmidt much, what batting they did counted. Beck's grounder was too hot for Francks and he was safe Castro's sacrifice to second landed him. but killed Beck. Then Raymond did himself proud with a two-bagger to center, and Castro made three bases and tallied Then Nadeau, as per usual, knocked something high and easy to catch, this time a foul, and Steelman broke his bat on a hit that did not yield him first. The third was another case of one, two

In the fifth the score was tied at 2 to 1. Devereaux walked and came all the way home when Nadeau fumbled Schmidt's liner to left. Nadeau made a clean throw from the fence to the plate, but Dev-ereaux was safe. The tie should have been broken in the last half of the inning. Steelman was sufe on a hard one to left, Thielman sent one in the same direction, but went out when Spencer handed one to second. Then with two men on bases Hurley came up and sent, oh! such an easy one to second, retiring the side

In the sixth Dunleavy and Schaffey both went out trying to steal second, and the Dugs took to the one, two, three order again, which Schmidt hardly let them de-part from the rest of the game.

in the seventh and the ninth was where the Freiherr Thielman saw himself re-tiring to the sagebrush. At the first seasion of the slaughter Kruger made his first on account of Hurley's fancy one-handed catch, which did not work. Devereaux knocked one to left and Byrne to right, scoring Kruger. Byrne and Dev-ereaux made a double steal and Schmidt got a weeny, teeny hil on the little finger that gave him his first and filled the bases. Francks lined one to second. Devereaux tallied and again the bases were full. Ganley forced out Byrne at the plate, but still the bases were full. Then Nadeau nailed Schafley's fly and ended first session.

In the next session, in the ninth, Ray-mond made a bad fumble of Byrne's hand-out. Byrne made second on a passed ball and came home on Francks' liner to center. Steelman all but got him of the plate on a blate on a blate of the second bar. at the plate on a had throw. Francks was sent in on Ganley's two-bagger to right

At the last, with two men out, Raymond knocked a three-bagger to center, but died where he was when Nadeau knocked another of his high and easy
