that the playgoers in this town were
glad to hear that this charming woman
and excellent artist, Miss Cathrine
Countiss, was coming to the city. That
was the reason why flowers in
profusion were banked in her
apartments at the Portland Hotel,
and the box office of the theater was
waiting for her at the train. That was
why she was overwhelmed with notes and
telephone messages and calls all day
yesterday. Cathrine Countiss is popular
here, there's no gaining it, she
knows it and it is a joy to her.

TO MEET IN BAKER CITY

DEVELOPMENT LEAGUE DECIDES
TO HOLD CONVENTION.
September 2 is Named as the Day,
and Prominent Portland Members
Will Go to Attend.

On Friday, September 2, at Baker City
the first convention of the Eastern Division
of the Oregon Development League
will be called to order by President E. L.
Smith, of Hood River, the head of the
State League.

There are now 20 societies from different
parts of the state enrolled as members
of the Oregon League, and it is the intention
of the management of the organization
to add at least 10 more to the list
during the convention in Baker City.

The meeting will be under the auspices
of the Baker City League and there will
be three sessions, one in the morning at
10 o'clock, one in the afternoon at 2 and
one in the evening at 8 o'clock. If it is
not possible for President Smith to be
present to open the convention, Vice-
President J. H. Aitkin, of Huntington, will
preside.

State Manager Tom Richardson, of
Portland, will attend the meeting and A.
L. Craig, general passenger agent of
the O. R. & N.; President H. M. Cate, of
the Portland Commercial Club, and T. B.
Wilcox will accompany him, and will be
two of the principal speakers at the
convention.

The convention is being advertised
throughout the southeastern part of the
state and it is expected that several
hundred delegates will be present from
the various commercial and industrial
bodies of that part of Oregon.

Some plan of operation will be outlined
at the convention suited to the district,
and after adjournment all the bodies in
that part of the state will co-operate,
especially in bringing the district before
the Eastern investor and homeseeker.
