DAVIS PUTS IN A BUSY DAY

Democratic Vice-Presidential Candidate Makes Thirteen Speeches.

FAIRMOUNT, W. Va., Oct. 12.—Henry G. Davis' second day of campaigning through Maryland and West Virginia was more intense and satisfactory than the first. It also added to the reputation of Mr. Davis as a "young old" man.

Despite the rain which followed the train during the first half of the day, there was no dampening of enthusiasm or diminishing of the crowds which greeted the candidate. At Clarksburg an elaborate marching escort and several bands were in waiting.

An indication of the earnest side of the campaign was the attendance of miners, begrimed with their work, which they had left temporarily to listen to the speaker.
