77th WEEKLY OCCURRENCE OF PORTLAND'S GRANDEST BARGAIN EVENT!

THE OLDS, WORTMAN & KING

Friday Economy Sale Today

A CAREFUL PERUSAL OF THIS PAGE WILL INSURE YOUR PRESENCE AT THIS BIG, DEPENDABLE BARGAIN STORE TODAY. THERE ARE HOSTS OF MATCHLESS VALUES HERE AT PRICES THAT DOUBLE THE PURCHASING POWER OF YOUR MONEY! Our thanks are due and heartily tendered our great public for their appreciation of our efforts to place before them the values of their lives. Your generous patronage, home-folk and visiting friends, during the earlier part of the Autumn season, assures us that we have succeeded beyond our fondest, most sanguine, optimistic expectations, and it has made possible the offering of these surpassing bargains for "Bargain Friday" shoppers. The yellow tickets point the way to special FRIDAY savings, while thousands of their prototypes in white serve as guideposts to economy avenues open all the week. And many more there are, like golden nuggets in a bonanza mine, that go unmarked.

Another Piece of Good Millinery Fortune!

Salons of Fashionable Head Dress—Second Floor.

We've a very discontented manager in this branch of the Olds, Wortman & King organization. He's a sleepless, restless sort of chap who's never satisfied—a sort of up-to-new "Oliver Twist" who is always holding out his plate for more—and better. Good sort of fellow to have 'round, don't you think? These "satisfied" fellows are not much 'count, anyhow. This millinery monarch of ours is always after something better—and more of it. This time he's stretched out his tentacles and absorbed another manufacturer's stock of NEW, READY-TO-WEAR HATS, which he places ON SALE TODAY AT LESS THAN MAKER'S COST!

Manufacturers are closing their Autumn season and going onto hats for next Spring—their Winter "run" of straws. They are through with the road salesman's and store samples—lines that always embrace immense variety of choicest conceptions in headwear. Knowing our output—larger than all the other "big store" millinery departments COMBINED—They come to us for a cash offer. Here's a case. Just 800 hats in the lot, exact fac similes of hats selling in all the local millinery shops and departments at \$2.00, \$2.50 and \$3.00. Turbans, Sailors and handsome dress shapes, in all the newest popularized colorings, including browns, champagnes, blues and grays, also white, and black. Immense, rich choosing \$1.49 from vast assortment at.....
