

SECRET IS OUT

Local Option Law Is a Prohibition Scheme.

DRAFTED IN STAR CHAMBER

Cunningly Designed to Secure Dry Counties.

I. H. AMOS TELLS OF THE PLAN

Provision for Precinct Option Was Put in to Catch Votes—Promise Never Made, He Says, Not to Aim at County Prohibition.

PROHIBITION PURE AND SIMPLE. The local-option law was first conceived by us prohibitionists, the bill was drafted by our attorney to promote the cause of prohibition...

Chairman I. H. Amos makes clear that members of the Prohibition party did not emphasize the precinct option part of the bill in the election last June.

What was afterward called the "local-option" idea was brought forth one day last Spring at luncheon when the quiet above named rubbed their knees together under the table...

"A remarkable bill it is, too," said Mr. Amos yesterday, "to have been framed so quickly and now to withstand the test of the courts so staunchly."

"Yes, we did just that. The provision in the law covering that point is not there by accident. Furthermore, we foresaw that in some counties the vote would be close, and we thought that those precincts which voted for prohibition should get it even if the county as a whole rejected it."
