It is widely reported at Dainy that the Japanese killed or wounded in front of Port Arthur during the last three months approximate 40,000. There are persistent rumors that the Japanese have occupied the forts on Rihlung Mountain and certain forts of the Keekwan Mountain group, but weil-informed Japanese here consider these rumors as premature. These Japanese, however, are confident that the end of the Russian occupation of Port Arthur is fast approaching. They admit they have been disappointed heretofore, but say that their previous hopes never had such a fast-based foundation as those they at present en- tertain. The fact that General Nogi, com- mander of the Third Japanese Army before Port Arthur, has allowed the	When the kidneys are sick there is si- trays a warning to fell you of it, and when the kidneys call for help there is no time to lose. Kidney diseases are common and fatal-cause more deaths every year than any other human ills. But in nine cases out of ten this is due to neglect. Kidney disorders are easily contracted, but just as easily cured when treated properly and in time. Common causes of kidney troubles are solds, fevers, exposures, strains on the back, blood-poisoning diseases, and in- dulgence in stimulants. The kidneys are the blood filters, and when they become sick, the blood filters, and haden with inpurities, which the kidneys have failed to remove. This causes back- ache, atif, liams and sore muscles, aching joints, spells of dimenses, headaches, rhea-
women waved handkerchiefs and clapped their hands, while patriotic airs from a hand could be beard. For ten minutes the ex-President stood bowing and amiling in acknowledgment, and repeatedly attempting to address the crowd. A half-way quiet was then re- stored and the speech was begun, only to be interrupted by another outburst that lasted for three minutes more. It was only when the audience was drowned into slience by the hisses of those desirous of hearing the ex-President that Mr. Cleve-	they will be an end of the second sec	MR.
