PUTS HUSBAND IN JAIL.—To R. Mantello trouble comes not singly. Rose Mantello, his wife, has instituted divorce proceedings in the Circuit Court, and Mantello is now confined in the City Jail on a charge of assault and battery, preferred by the woman, when he most desired to be free in order to defend himself in the divorce proceedings. Mrs. Mantello states that her husband became intoxicated and began to beat her. Hence the warrant for assault and battery. Last Summer Mrs. Mantello ran away with her husband's money and went to Seattle, afterward returning to her home. She did not appear to be badly bruised when she appeared in the Municipal Court yesterday, and officials think the assault and battery charge was purposely entered to prevent the husband from gathering evidence to be used against the woman in her divorce case. The husband's trial for assault and battery will take place in the Municipal Court this morning.

USE OF SCHOOL BUILDINGS DENIED.—That the public school buildings cannot be used for public meetings is decided by the Portland Federation of Women's Clubs is the decision of J. H.
