

GAINS IN HOUSE

Republicans Fifty in the Majority.

ESTIMATE OF BABCOCK

Tawney Is Certain His Party Will Lead by Forty-Five.

RETURNS FROM WEST MEAGER

In the East the Landslide for Roosevelt is Accompanied by a Gain of Nine Congressmen—Democrats Concede Defeat.

NEW YORK, Nov. 8.—Chairman Babcock of the Republican Congressional Campaign Committee, said everything indicated a Republican majority of 59 in the House of Representatives.

Dispatches to the Associated Press up to midnight show that the Republicans have elected 56 Congressmen and the Democrats 14. Of the remaining 61 districts, 35 are now represented by Republicans and 25 by Democrats.

Congressman James Tawney claims a majority of 45 Republicans in the next Congress. He said:

"With a gain of one and possibly two in Missouri and a gain of two and possibly three in Illinois, and the election of Yearington in Nevada, I am confident the Republicans will have a majority of 45 in the next House. My pre-election estimate was a majority of 40. It is a great victory, so overwhelming and decisive that every Republican should be happy."

Chairman Cowherd of the Democratic Congressional Committee, at 11 o'clock, said:

"We concede that the Republican Roosevelt landslide has carried the House of Representatives by a majority as large as that now held."

Speaker Cannon and Floor Leader Serrano E. Payne are among those re-elected.

SOUTH DAKOTA.

Democrats Concede State to Roosevelt by Great Plurality.

SIOUX FALLS, S. D., Nov. 8.—Senator Kittredge says that Roosevelt has carried South Dakota by 49,000, and Chairman Crapse, of the Republican State Central Committee, puts the figures at 50,000.

Chairman Martin, of the Democratic State Central Committee, has issued a statement in which he concedes Roosevelt 40,000 votes, Parker 20,000 and Watson 10,000.

NORTH DAKOTA.

Republican Majority Greatly Increased and Legislature Captured.

GRAND FORKS, N. D., Nov. 8.—Roosevelt carried North Dakota by from 20,000 to 25,000. This is an increase of over 50 per cent from McKinley's majority. The state ticket is elected by probably 4000 less.

Of the 140 members in the House of the Legislature, about 90 will be Republicans. This will insure the election of a Republican United States Senator to succeed Senator McCumber.

VERMONT.

Roosevelt Runs Ahead of McKinley, Parker Behind Bryan.

WHITE RIVER JUNCTION, Vt., Nov. 8.—Roosevelt carried Vermont today by about 35,000. He ran ahead of McKinley's vote in 1900, while Parker ran behind that of Bryan. The only question at issue was the choice of Presidential electors.

One hundred cities and towns out of 246 give Roosevelt 13,752, Parker 4500. The same in 1900 McKinley 13,752, Bryan 4501.

LOUISIANA.

Democrats Carry the State—Vote Outside of New Orleans is Light.

NEW ORLEANS, Nov. 8.—The Democrats have carried Louisiana for Parker by a majority of probably 35,000.

Seven Democratic Congressmen have been elected. The election was peaceable, and outside of New Orleans a light vote was cast.

OKLAHOMA.

Republicans Make Good Gains and Maguire is Elected Congressman.

GUTHRIE, O. T., Nov. 8.—Reports from eight out of 22 counties show a substantial Republican gain over two years ago, and insure McGuire's election for Delegate to Congress over Frank Matthews by about 1500.

BRYAN LOSES AGAIN

Nebraska Legislature Is Probably Republican.

WILL CHOOSE A SENATOR

Roosevelt Carries the State by a Plurality of 35,000 to 40,000—Democratic Candidate for Governor Ahead of National Ticket.

OMAHA, Nov. 8.—At midnight the indications are that Roosevelt has carried Nebraska by a plurality of 35,000 to 40,000.

The Republicans have elected Congressmen in the First, Fourth, Fifth and Sixth districts. The Second and Third are in doubt, with the latest returns showing Congressman Hitchcock, in the Second, and D. E. McKillop, in the Third, both Democrats, in the lead. The Legislature, which elects a United States Senator to succeed Senator Dietrich, will probably be Republican.

Sixty-six districts outside of Omaha and Douglas County give Roosevelt 831, Parker 314, Mickey, Rep., for Governor, 523; Berge 715. Berge for Governor leads the National ticket by over 4000 in these precincts, which lead, if maintained, will give him a safe plurality over Mickey. Bryan claims Berge is elected Governor by 500.

Democrats Claim Governor.

LINCOLN, Neb., Nov. 8.—Forty-four precincts outside of Lancaster and Douglas Counties show a net loss for Mickey of 148. Alton, chairman of the Democratic State Central Committee, said:

"Early returns indicate the election of Berge for Governor by 10,000. He is making gains in every precinct, and I have not a doubt about his election."

MASSACHUSETTS.

Roosevelt Carries the State but Douglas is Elected Governor.

BOSTON, Nov. 8.—Sufficient returns from today's election have been received to indicate the election of W. L. Douglas, Democrat, for Governor by almost 20,000 plurality.

Roosevelt carries the state by a big plurality. Chairman Rush, of the Democratic Committee, concedes it is 70,000. Complete returns from the City of Boston for President give Parker 49,433, Roosevelt 35,152.

The total vote for Governor in Boston was Bates 25,576, Douglas 62,819. Parker carried the city by 10,374 plurality. Douglas carries Boston by 34,943 plurality.

Mr. Douglas tonight gave out the following statement:

"That I am profoundly gratified at the balloting does not fully express my feelings. To be honored with the election as Governor of Massachusetts in the Democratic ticket in the Presidential year is surely an earnest expression of the good will of my fellow-citizens of all parties. I am also much pleased with the vote in my own city."

"As Governor I shall endeavor to serve the interests of the whole people and shall devote my energies to securing relief for our overburdened industries from the lawmakers at Washington. I shall also do what I can to bring about a reduction in the cost of living for our people."

NEW JERSEY.

Republican Majority Is Far Greater Than Any Had Expected.

NEWARK, N. J., Nov. 8.—New Jersey was carried by the Republicans by a big majority than ever the most sanguine of the Republican predictions. The state gave the neighborhood of 50,000 for Roosevelt.

will constitute the state's Congressional delegation, a gain of one for the Republicans. Allen defeated Hughes in the Sixth District.

The Legislature is overwhelmingly Republican, and Kean will probably succeed himself as United States Senator.

Newark is Republican by 10,000. Essex County will go nearly 30,000 Republican. The election of Stokes for Governor is likely by at least 20,000.

WISCONSIN.

Roosevelt Ahead 60,000 Votes—Both Sides Claim Governor.

MILWAUKEE, Nov. 8.—It is generally conceded that Roosevelt has carried Wisconsin by 60,000. Both Republican and Democratic State Chairmen claim the state respectively for La Follette and Peck.

Republican Chairman Connor at 11 o'clock tonight said:

"From returns received, I figure that La Follette's plurality for Governor is 50,000. In some districts, our ticket ran ahead of expectations and in others behind. We have nothing to indicate the complexion of the next Legislature."

Chairman Warden, of the Democratic Committee, said:

"I claim that Peck will be elected by 25,000 plurality. I have no returns on which to base a statement as to the Legislature."

Eight Republican Congressmen have been elected and two districts are still to be heard from. Sixty precincts in Wisconsin, including 30 in Milwaukee, give Parker 5637, Roosevelt 11,761, Peck 882, La Follette 9321.

OHIO.

Roosevelt's Majority is the Greatest in History of the State.

COLUMBUS, O., Nov. 8.—Based on returns received at 1 o'clock, if the pressure ran of gains is maintained, the Republican electoral ticket will have a plurality of over 100,000.

Parker's vote was much smaller than that received by Bryan four years ago, and Roosevelt was especially strong in counties which of old were Populist strongholds. In Kirtland County, for example, Roosevelt polled 1500 votes as against 100 for Parker, whereas McKinley carried the county by only 300. In St. Paul and Ramsey County, Roosevelt will have close to 7500 plurality, nearly 2000 greater than McKinley's vote.

Despite the tremendous plurality for Roosevelt, the Democrats apparently have elected their candidate for Governor, John A. Johnson. He is running well ahead of the vote cast for Lind, Democrat, who was defeated four years ago by 200.

At Democratic headquarters Johnson's election is claimed by a plurality of 20,000 to 25,000. Chairman Martin, of the Republican Executive State Central Committee, claims the election of Dunn, the Republican candidate, but admits the vote will be close.

Late returns only serve to increase the size of Roosevelt's plurality in this city. He will carry the county by at least 7000.

WYOMING.

Republicans Sweep the State and Clark Will Be Senator Again.

CHEYENNE, Wyo., Nov. 8.—Roosevelt has carried Wyoming by 7000 to 8000. Mondell, Republican, has been re-elected to Congress by over 6000. Brooker, Republican, has been elected Governor by over 4000 over Osborne, Democrat, and the rest of the Republican state ticket has been elected by majorities ranging from 3000 to 5000.

The Republicans will control both chambers.

DEM. MOJONES, Nov. 8.—Returns are slow in coming in, but the indications on well-distributed returns indicate that Roosevelt's plurality will be 18,000, and the entire state ticket will have about the same number. Republicans elect ten Congressmen, with the chance that the Second District, which is in doubt, will also go Republican. Wade, Dem., however, seems to be holding his own with the vote of 1902, when he carried the district by 1500.

MICHIGAN.

Roosevelt Carries the State by an Unprecedented Majority.

DETROIT, Nov. 8.—Michigan today was the scene of a veritable landslide. Roosevelt and Fairbanks have carried the state by an unprecedented majority, variously estimated at from 100,000 to 150,000. Frederick Warner for Governor and the Republican state ticket are elected, at least 11 of the 13 Congressmen are Republicans and the Legislature is overwhelmingly Republican, insuring the re-election of United States Senator Burrows.

Returns are slow in coming in from the state, and at midnight definite figures were impossible to give.

KANSAS.

Roosevelt is Given a Big Plurality and State Ticket is Safe.

Chairman Stubbs, of the Republican State Committee, claimed the election of Hoch for Governor by a plurality of 50,000 and Kelley, for State Treasurer, by 15,000 to 20,000. The other state nominees are safe. Roosevelt's plurality will be close to 100,000.

MINNESOTA.

Parker's Vote is Much Smaller Than That Received by Bryan.

ST. PAUL, Nov. 8.—Roosevelt received a record-breaking plurality in Minnesota, going far beyond McKinley's margin of 7,000 four years ago. On the face of the returns so far received, the Republican electoral ticket will have a plurality of over 100,000.

Parker's vote was much smaller than that received by Bryan four years ago, and Roosevelt was especially strong in counties which of old were Populist strongholds. In Kirtland County, for example, Roosevelt polled 1500 votes as against 100 for Parker, whereas McKinley carried the county by only 300.
