Colorado Republicans Sure He Leads for Governor.

COUNT IS PROCEEDING SLOW

On Ground of Fraud in Denver, Republicans Threaten to Contest Election if Adams Wins-Roosevelt's Plurality.

DENVER, Colo., Nov. 2.-The Republican will say tomorrow: "Corrected returns from 45 out of 59

counties in Colorado indicate the defeat of Peabody for Governor by a small vote although at Republican state headquarters Peabody's defeat is not conceded.
"The Republicans concede Denver County to Adams by a small majority. The Republican Congressmen are safe. The General Assembly is claimed by both parties. The entire state ticket, with the exception of Peabody, is elected by handsome majorities.

DENVER, Nov. 9.—Roosevelt's plurality in Colorado has been increased over the former estimates by later returns and may run above 15,000. Republicans and Democrats claim the election of Gover-nor and Congressmen-at-large, and the Republicans threaten to contest the state republicans threaten to contest the state election on the ground of alleged frauds in Denver. On the face of nearly complete returns, Adams has carried Denver County by 500 plurality, and he appears to have a safe lead over Peabody without this county. According to the returns in the Times, Adams' plurality in the state is a little over 10,000. The Times concedes that the resule is in doubt as to the other state officers, but claims the Legislature to be Democratic in both branches. The Post says: "Late returns this afternoon indicate

clearly that the Republican ticket in Colorado, National, state and county, has been elected by piuralities ranging from 2000 to 10,000. "A conservative estimate places Gover

nor Peshody's plurality at 500. He will carry Denver by 1500 to 3000." Democratic Chairman Smith made this statement this evening: "Alva Adams is elected by 10,600 to 15,000 All the state ticket goes in with him according to our best information." Republican Chairman Pairley made the

following claims: "Peabody will be elected by somewhere between 5000 and 10,000. The state ticket will run between 10,000 and 15,000. Rooseveit will run even higher than that. The Congressmen are elected by piuralities above 10,000. I expect to bring Peabody to Denver with a plurality ranging from 7000 to 10,000. This is large enough to offset

President Roosevelt is especially pleased that Frank W. Higgins has been elected Governor of New York, for he feels that the campaign waged against Mr. Higgins was unwarrantedly bitter.

as to Congressman-at-large is still uncertain.

Returns from all of the 204 precincts in this city, with the exception of about two dozen, give Adams a plurality of nearly 7000. The precincts yet to be heard from are admittedly Republican, and it is generally thought when they report Adams' plurality will be reduced to about 4000 in Denver.

Rooseveit Wins Great Victory\_Both Sides Claim Legislature.

BUTTE, Mont., Nov. 8.—Rturns from the outlying districts will give Roosevelt a majority of about 10,000; Joseph M. Dixon, Rep., for Congress, 4000, and J. K. Toole, Dem., for Governor, 6000. The Legislature is claimed by both parties, though the Democrats appear to be holding their own. This is the second time in the history of the state that the Republican National ticket has carried.

Carruthers is the general freight agent of the Cripple Creek Central Railroad and for several years was deputy under County Recorder Mannix. The other two men arrested are miners.

Their friends say the affair was intended as a joke, but Democrats claim a plot has been hatched to get Mannix out of the way and tamper with the ballots, which are in his custody.

ST. LOUIS, Nov. 2.—Complete returns show that St. Louis has gone Republican, with the exception that the city railled for Folk, Domocrat, with a plurality of over 10,000. With all the Democratic municipal candidates nave one defeated by pluralities ranging from 500 to 3000, Folk carried St. Louis over Cyrus P. Walbridge by a plurality of 10,008. One of the hardest-fought political contests in the election was that for Secretary of State. The returns show that Samuel R. Cook, Democrat, and present incumbent in office, is defeated by John E. Swanger by a plurality of 10,248.

The indications are that the Legislature will be Republican by two or three votes on a joint ballot. The Legislature will elect a successor to United States Senator F. M. Cockrell.

The prosecution and weeding out of bood-lers and boodling brought to light under Democratic administration is believed to have helped, in great part, in floating a Republican wave over Missouri.

## Folk Only Democrat Elected.

ST. LOUIS, Mo., Nov. 2.—Eighty-five counties out of 114 give Roosevelt a plurality of 18,595 over Parker; Folk, Democrat, for Governor, is given a plurality of 28,595 in the same countles. It appears that the entire Republican state ticket is elected by small majorities, excepting Governor. Governor.

WHEELING, W. Va., Nov. 2.—Roosevelt's plurality is between 20,000 and 25,000, and may exceed these figures. Dawson, Republican, is elected Governor by a plurality probably exceeding 4000. The Legislature will be Republican in both branches.

## CONNECTICUT.

Republican Pluralities Are the Greatest Ever Returned.

NEW HAVEN, Conn., Nov. 5.—Republican pluralities in Connecticut for the National and state tickets exceed anything before experienced in the state. Revised returns give Rooseveit a plurality of 25, 197, while four years ago McKinley defeated Bryan at the high water mark of 28,558. 28,558.

## INDIANA.

# GAIN IN CALIFORNIA VERDICT IS

Republicans Roll Up a Plurality of 115,000.

RETURNS ARE NEARLY ALL IN

All Eight Congressmen Are Elected-Kahn Defeats Livernash by 8000 Votes in San Francisco District.

SAN FRANCISCO, Nov. 2.—Rooseveit's majority in California will be nearly 115,-100. Returns from 1256 precincts out of a total of 252 give Rooseveit 128,585. Parker, 5,635. The missing precincts are small and scattering and in 1900 gave McKinley e068; Bryan, 5598.

Eight Representatives to Congress have been elected by the party vote—a solid Republican delegation. In the Second District, which was considered doubtful, D. E. McKinlay, the Republican candidate, has been elected by a majority of not less than \$30. In the Fifth District, also where a strong fight was made, E. A. Hayes, Republican, scored a majority of 4000.

The returns already in for the State Senate and Assembly show that the Republicans have received a large majority in the Legislature. Eighteen out of the 23 State Senators have been elected, and 65 out of the 50 Assemblymen. The magnitude of the Republican victory can be better understood when it is shown that even counties which have hitherto been invincible as Democratic strongholds. have given way and returned a majority for Theodore Rooseveit.

## IDAHO.

Roosevelt Leads, but Gooding for Gov-

ernor Has Good Majority. BOISE, Idaho, Nov. 2.—Returns from the state come in slowly, one county not having been heard from at all yet. The figures received today do not materially change the estimates made last night. Roosevelt has about 25,000 plurality, and Gooding for Governor between 15,000 and 20,000. The rest of the state ticket runs about with Gooding. The Republicans appear to have elected every member of the Legislature with the possible exception of one member of the House in Custer County.

Republicans Sweep Washington.

MILWAUKEE. Wis., Nov. 2.—The result of the election in Wisconsin shows that Roosevelt ran ahead of every expectation and carried the state by a plurality estimated at between \$6,000 and \$5,000; that Governor LaFollette has been re-elected by a plurality of about \$6,000, and that the Congressional complexion remains unchanged from two years ago. The Legislature, which is to elect a United States Senator to succeed J. V. Quaries, is largely Republican, and the question of whether Wisconsin shall have a primary election law has carried by a safe majority. One of the surprises in the election was the big increase in the vote of the Social-Democratic party. Four years ago that party polled 458 votes in Milwaukee County; two years ago 19,78%, and in this election that the second party polled 458 votes in Milwaukee County; two years ago 19,78%, and in this elec-

The Schiller is one of the finest and best-known planes in America. The very best materials obtainable, the most skilled workmen, untiring energy, backed by intelligence and capital, have made it a plane which is conceded by other manufacturers, by dealers, tuners and musicians alike to be the best value obtainable for the price.

The tone of the Schiller is magnificent, powerful and brilliant, yet mellow and musical. Case designs rich and artistic woods, the very choicest, being especially selected, and finish the finest.

By all who have seen them, they are pronounced a decided triumph.

There's money's worth and more in every one of them always, but these present holiday styles, at no advance in price, are the most remarkable bargain we have ever offered. Senator to succeed J. V. Quaries is largely Republican, and the question of whether Wisconsin shall have a primary election law has carried by a safe majority.

One of the surprises in the election was the big increase in the vote of the Social-Democratic party. Four years ago that party police 488 votes in Milwaukee County, two years ago 10,704, and in this election 18,120. The Social-Democrats elected four Assemblymen and one Senator to the Legislature.

In the Legislature Chairman Connet, of the LaFollette State Central Committee, claims there will be 80 members pledged to carry out the measures advocated by Governor LaFollette. Of this number 62 are Assemblymen and 17 Senators, or a majority of each House, Chairman Golden, of the Stalwart faction, claims that the Stalwarts and Democrats combined will control a majority of each House, and he predicts, if Senator Quaries is not reelected, the Legislature will probably find itself in a deadlock.
