RADICAL DEPARTURE

No One Ever Convicted of Offense Has Been Favored.

LIBERAL POLICY IN FUTURE

Offenders Belonging to Uneducated Class and Those Who Erred While Unduly Excited Will Secure Freedom.

BERLIN, Nov. 10.-It is announced that Emperor William has decided hereafter to use the pardoning power liberally in cases of lese majeste. This is a radical departure from the previous prac-It has been practically unknown for the Emperor to pardon a person convicted of this offense. It is now stated that he intends to par-

don almost without exception when the offender is shown to belong to the uneducated classes, or to be incapable of weighing the consequences of a hasty word. Also offenses committed during drunkenness, or while in an excited con-

dition rendering deliberation impossible, will constitute the basis for pardon. The Emperor has ordered the Ministry of Justice to deal liberally with all per-sons convicted of an insult to His Majesty who petition for pardon and show peni-tence. It is expected that the new prac-tice will greatly reduce the number wie will serve out sentences for this offense, since the impression is general that many effenders have been convicted, in many cases, through over-officious state's attorneys and judges.
