

STATE IN DOUBT

Maryland Must Await Official Count

DEMOCRATS TAKE HOPE

Returns Indicate They Will Get Seven Electors.

REPUBLICANS SURE OF ONE

BALTIMORE, Nov. 11.—That an official count of the ballots cast for the Presidential Electors at last Tuesday's election in Maryland will be required before definite knowledge of the result can be assured was demonstrated tonight by the semi-official count in Baltimore and in 20 of the 23 counties of the north of the state.

The official returns received thus far indicate that seven Democratic electors and the remaining seven Maryland members of the Congressional delegation are chosen.

The State Board of Canvassers will make the official announcement of the vote. This board must meet and complete its labors within 30 days after the election.

It is explained by the election supervisors and the political leaders that the mis-marking of ballots caused the discrepancy between the vote for the National and the Congressional candidates.

Of the Presidential Electors it is safe to say that by the count C. J. Bonaparte, Republican, of Baltimore, was elected, and the remaining seven Maryland members of the electoral college were chosen by an average majority of about 400 by the Democrats.

The vote for the candidates on the Socialist, Prohibition and Union Labor tickets has not yet been canvassed. Both Democratic and Republican leaders say that frauds and irregularities were used in several precincts, and hundreds of ballots have been held up by the supervisors in Baltimore and in at least three counties. It will therefore require the decision of the State Board of Canvassers to determine the actual result.

MISSOURI LEAD 28,271. Roosevelt's Plurality is Increased by Complete Returns.

KANSAS CITY, Mo., Nov. 11.—Returns from all counties in the state, and most of them official, give Folk, Democrat, for Governor, 30,866 plurality, and Roosevelt 28,271 plurality.

ST. LOUIS, Mo., Nov. 12.—The Republic, Dem., and the Globe-Democrat, Rep., compiled tables at 1 o'clock this morning showing the result of the election in Missouri.

According to the figures received by the Globe-Democrat, the Republicans carried the state for their National ticket by a plurality of 80,000.

While the result of the Republic's canvass also gives a Republican victory, its total is much lower, Roosevelt having a plurality of 15,552.

The figures secured by the two papers agree more closely on the result of the gubernatorial election, the Globe-Democrat giving Folk, Dem., a plurality of 25,552, and the Republic giving a plurality of 25,553.

Populist Chairman Issues a Call for a Meeting in Chicago.

CHICAGO, Nov. 11.—James D. Ferris, chairman of the National Committee of the People's party, has issued a call for a meeting to be held in Chicago sometime during November for the purpose of forming a new National party.

In his call for the gathering, which he terms a "Jefferson Conference," Mr. Ferris declares the time has arrived for the consolidation of a number of progressive parties and factions under a broad Jeffersonian programme.

The chief articles of which he desires to form the new party are: "Governmental control of the issuance and volume of money; postal savings; restriction of the income tax; fullest protection to the laborer; adoption of the initiative and referendum; local option in the sale of intoxicating drinks; no imprisonment without trial by jury; and no government by injunction; taxation and control of all corporations in the interest of the general public."

TAGGART WILL NOT RESIGN. Democratic Chairman Says No Man Could Have Saved Parker.

NEW YORK, Nov. 11.—Thomas Taggart, chairman of the Democratic National Committee, has no intention of resigning his position, according to a statement made today.

"I have returned to New York the same as I left it, a Democrat," he said. "No man, no policy, nor any platform would have stopped the cyclone of Roosevelt. There is no accounting for cyclones.

"The utmost harmony exists among the members of the committee, and there is no need for reorganization. There are no quarrels, no recriminations, excepting the general regret for the defeat of our candidate. I have no intention of resigning. The National headquarters will be at Indianapolis.

MAN HUNT IS ON

Grant County Rustlers to Be Run Down.

ENTIRE SECTION ROUSED

Armed Citizens Fast Joining Sheriff's Posse.

REIGN OF TERROR TO END

Horsethieves Have Long Laid Tribute on Ranges in Guise of Stockmen—Victims Afraid to Complain, Fearing Worse Treatment.

LONG CREEK, Or., Nov. 11.—(Special.)—Intense excitement prevails in the Long Creek country tonight over the formation of a Deputy Sheriff's posse to round up and capture the gang of horsethieves whose depredations have become so widespread and bold as to make the situation on the ranges of Northern Grant intolerable.

Citizens are joining the posse in such numbers as to make ultimate capture of the marauders almost certain. Only three specific warrants have been issued and the names in these cases are withheld at the request of posse leaders, who do not wish to make public the identity of the men they are pursuing until the arrests are made.

The present uprising in Northern Grant against the semirustling gang of rustlers, from whom no man's horses have been safe, is the climax of years of patient endurance. Individual arrests have been made from time to time by the Sheriff of Grant and Umatilla Counties, but the band as a whole has never been broken up.

"We'll chase this gang till it freezes over, if we don't catch 'em," tersely remarked one of the officers today, and the same note of determination is echoed by every stockman rallying to the hunt.

It is the peculiar system of this partially organized gang which has enabled the members to operate successfully for many years. They are not a spectacular band of horsemen, who swoop into a district and again, taking with them 100 or 150 head. They are residents of Northern Grant itself or contiguous territory, and rarely take more than two or three animals at the time.

The principal rustlers in the section pass as semireputable stockmen. They may be suspected by their neighbors, but having reputations of being men who will not stand much "fooling," these suspicions are hardly ever put in words. Frequently they are even whispered between neighbor and neighbor. A man does not wish to know too far from Northern Grant.

Bolder and more active operations than even the harassing thefts of the past three years have been in progress since Spring, and this thoroughly earnest hunt, to which the patient stockmen have at last been stirred, promises to break up or actually wipe out one of the most annoying bands of bad men that ever tormented the interior.

FATAL FIRE IN PARIS IS ATTENDED BY DRAMATIC INCIDENTS.

PARIS, Nov. 11.—A fire in which two men are known to have lost their lives and which was attended by dramatic incidents occurred today in the Ripolin enamel paint factory, at Issy near Paris.

ABOUT 4 O'CLOCK A TERRIBLE EXPLOSION WRECKED THE BUILDING, IN WHICH 30 MEN WERE WORKING. FLAMES BROKE OUT INSTANTLY, AND IN A FEW MINUTES THE FACTORY WAS LIKE A FURNACE. BARRED WINDOWS RENDERED ESCAPE FROM THE BUILDING DIFFICULT. MANY WOMEN RUSHED OUT WITH THEIR CLOTHING BURNING AND JUMPED INTO THE RIVER IN ORDER TO EXTINGUISH THE FLAMES. ABOUT TEN MEN AND THE SAME NUMBER OF WOMEN WERE SEVERELY BURNED, AND SEVERAL MAY DIE.
