The Portlands line-up will be selected from: Wilder, Gifford, Rae, Webbe, Honeyman, Brennan, Cormack, Gray, Rylance, Dickson, Mackie and Gavin. The match will be a very interesting one because the sailor boys who are to play have been at the game since they were small tots and every time they have touched land they have chased the pigskin. On the other hand, although there are good, hardy players among the Portlands they are mostly out of practice, and it is difficult to say who will win out There is no charge for admission, and all interested in a football match where no player is allowed to touch the ball with his hands, are welcome.

"VARSITY MEN BATTLE TODAY.

Teams of Oregon and Washington in Fine Condition-Field is Fast.

UNIVERSITY OF OREGON, Eugene Or. Nov. II.—(Special.)—Sixteen confident athletes representing the University of Washington in football arrived here to-day preparatory to doing battle with the oregon eleven Saturday afternoon. The visitors come in good condition and will have one night of good rest. Never was there a better, opportunity to judge of the relative strength of the two rival

the relative strength of the two rival university teams than will be afforded tomorrow, for each eleven is reported as being in perfect condition.

The conditions are just as the Washington coach desired them to be. The athletic grounds are hard and dry, all preparations being completed with the idea of making fast football possible, and indications are that he rain will fall before Saturday night.

SAME OLD STORY

campus for the purpose of acquainting themselves with the grounds, and tonight there is an over-abundance of confidence in each camp. Washington expects to demoralize the Eugene eleven in the first few moments of play by fairly lifting them off their feet with a rapid sequence of play. As a matter of fact, the local 'varsity has resorted to similar tactics in every game this year, and the outcome of the almiliar methods of attack is looked to with interest. All will depend upon the physical condition of the respective teams.

As a result of the hard practice given this week some changes have been made in the 'varsity eleven, and the strength of the team is greatly improved. The most radical and effective change that has been made is the shifting of Frank Templeton from the line to a half-back position. Templeton is an aggressive man with the ball and he possesses that valuable football instinct of carrying his team-mates along. His line position will be filled by McIntyre, a big freshman, who is a tower of strength in the line, especially on defensive work. It is estimated that the team is at least three touches. touchdowns stronger than it was a week ago, and the general talk is that Wash-ington will be defeated by two touch-

downs.

The game will be officiated by W. Lair Thornson and Chauncey Bishop.

Tonight a monster football rally was held by the men of the university. After a noisy parade through the streets of Eugene, the undergraduates flocked to Kincald field, where a huge bonfire was lighted after which speeches were made. lighted after which speeches were made by several students and graduates. After a cherus of yells and songs, the crowd broke up. Local sports are will-ing to bet freely on the outcome of tomorrow's game, but there is no Washington money in sight.

ALBANY PLAYS TODAY.

Will Meet Strong Multnomah Team on Gridiron This Afternoon.

Albany College will play football with Multnomah on the club field this after-noon at 3 o'clock. Just how strong Al-bany is can hardly be told, as the team has been hampered by lack of games. but early in October Oregon was hard pressed to make a score of 4 to 6 by kicking a field goal in a game with Al-bany. The Oregon Agricultural College was defeated by Albany last year and this year has refused the winning team Multnomah has now taken on its sea

son's form and will play a steady, hard game today. There is not a weak point on the eleven, and there are substitutes in abundance. It is a pity that the sec-ond team has gone to Tacoma to play the Puget Sound university, as there are a number of men in the second line who deserve further try-out on the first team.
The line-up today will be as follows:

The track is in fine shape. There are more stables on hand than ever before and the stake entries show that many high-class performers will compete in the events to be decided.

An attractive programme has been arranged for the opening day, with the Opening Handicap as the feature. Fifteen are named to start in the event, which is at a mile, with \$300 added. It is expected that the Jennings pair, Gold Money and Arcade, will be favorites. Helberson will have the mount on Gold Money or Arcade. Other leading candidates are: Claude, Fossil, Bombardier, San Nicolas, Divina, Ananias and G. W. Trahern.

E. C. Hopper will act as presiding judge. Richard Dwyer will send the fields away for gold chances, she got only one goal. Dutcher, Whitman's half, far outputted hall.

leaving Smith left directions with Captain Templeton as to the method of play to be used against Washington, giving a special command that the 'varsity team execute nothing but straight plays. Just what Smith's idea is in refusing to permit the Oregon team to use all the formations that have thus far been given is not understood. It is thought that he is saving the new formations for the meet with O. A. C., October 19, when a harder game is expected than is the one to be played with Washington Saturday.

Mr. Smith will return from California Monday and force the squad into practice next Tuesday.

Struggle Is Even in the First Half, but in the Second the High-School Players Score Two Touchdowns.

High School's plunging backs were far too strong for the line of the Hill Academy in the football game yesterday aftersoon, and scored for their team two touchdowns, 12 points, while the Hill eleven did not succeed in croszing the public school's goal line.

It was the cleanest, fastest game that has been played on Multnomah Field this Autumn and a very close contest in the first half. During that time there was not a second taken out for delays and both elevens seemed evenly matched. But in the second half, after the first few minutes of play, High School got its chance and Oberteuffer and Goodell rushed a touchdown from the center of the field. Before the same was over they did the a touchdown from the center of the news. Before the game was over they did the same thing again, and under very hard conditions, showing themselves to be far superior in ground-gaining.

MONTEZUMA'S HIDDEN WEALTH Traditions Preserved in Family Say Its Value Is \$80,000,000.

Mexican Herald.

Whether the report of the discovery of the Incas' treasure at Chayaltaya, Bolivia, is true or not. It is certain that the con-quistadores did not get all the gold and precious jewelry of the Mexican monarch. The story is that the Incas' treasure, withheld from Pizarro and now discovered withheld from Pilatro and now discovered in Bolivia, is worth \$15,000,000 and that the Indians believe there is still much more hidden away. Pizarro received a great sum from the Inca whom he cruelly treated and then killed, but in so doing missed a greater amount, which the Inca, hoping to save his life, promised his tormentor.

In this country one sometimes hears talk of a great golden sun and other treasures hidden secretly from the carly Spaniards. It is quite probable that some fine day much of Monteauma's hidden treasure may be found here by a lucky hit.
