A line will tell the reason-and a single line from this house is worth a dozen from others to Portland folk-The earpenters are "raising Ned" here, and stocks have to be shifted about every hour. Such magnificent and delicate creations as penters are "raising Ned" here, and stocks have to be shifted about every hour. Such magnineent and deneate creations as these beautiful gowns and wraps of ours are hurt by the slightest damage. Workmen have little care for the superb replicas of the world's choicest models in woman's swell appeared by which they are surrounded. Their aim is to fulfill their employer's contract on time, come what may. The gowns and wraps are in danger. Better that our patrons should profit by our loss than we take it and no one profit. So we're going to prevent the possible damage that might come in the alterations now going on by CONTINUING THE SALE of the CALLING, CARRIAGE AND EVENING GOWNS, PARTY COSTUMES, THEATER AND EVENING WRAPS—All in the HOUSE, FROM \$85.00 to \$500 for this week at ONE-HALF PRICE.
