FIFTH, SIXTH AND WASHINGTON STREETS

THE HOME OF CHRISTMAS

THE CHRISTMAS POSTOFFICE

Santa Claus has placed mailboxes at the entrance to all the elevators on each floor for the reception of letters from his little friends. Write and he'll try hard to get it for you. Place your letter in any of the boxes.

Visit the New Tea Rooms, Second Floor. Open 11 A. M. to 5 P. M., under the auspices of the Y. W. C. A. Grandma Munra in charge.

See the real live Santa Claus every day on Fourth Floor, 10 to 12 A. M. 3 to 5 P. M.

GOODS STORED UNTIL CHRISTMAS Patrons wishing goods kept and sent out later may select now. We will pack the purchase securely, mark it plainly and store until notified, when it will be sent promptly in time for Christmas use.

Patrons are invited to use the rest rooms on second floor. This is YOUR store—make it 'Liberty Hall' while doing the Christmas shopping. Free phones, lavatories, toilet and dressing-rooms all at your service. The art room, on third floor, opens this week, and, if possible to arrange, the new day nursery on fifth floor of annex.

A Monster Collection of Gift Things AT PRICES RIDICULOUSLY INFINITESIMAL

A SAVING OF FROM ONE-THIRD TO ONE-HALF IN YOUR CHRISTMAS APPROPRIATION! THE "MANAGERS' SALE" AN INCALCULABLE BOON TO HOLIDAY SHOPPERS! CHRISTMAS YET 12 DAYS AWAY AND FOLK ARE STANDING THREE AND FOUR DEEP IN FRONT OF THE CHRISTMAS COUNTERS. Everybody who postpones buying now will wish he or she hadn't—later on. Throngs are good-naturedly elbowing their way to the bargains, and it's the jolliest, happiest lot of Xmas shoppers that ever happened. Shop in the morning now—it's easier. Our delivery system—the largest and best in the city—is able to cope with any amount of business, but, remember, the drivers are human, like us; let's divide the work evenly as possible, so as not to weary any growl into the Christmas spirit. Don't postpone Christmas buying longer—DO IT NOW. The assortments are immense, larger than in any other two Portland stores combined. To choose from this great collection therefore is to have the advantage of selecting from a stock comprising the best articles obtainable elsewhere and also those exclusive things for which this house is noted. On every floor something new and beautiful is to be seen, and everything is placed to allow easy and thorough inspection. We invite attention not only to the quality and assortment in this exhibition but to the range of prices and the values offered. These form an ample demonstration of our position as pacemakers in price setting—and this month we've set prices lower than the makers themselves marked them. It's a losing game now, but "there's method in our madness"—and you benefit.
