The dependent woman is now being cared for at St. Vincent's Hospital, where it is believed she has every chance of recovery. She rested well last night, and it is expected she will be able to leave the institution soon.

To the police yesterday Mrs. Goggins stated that she drank the poison because of a quarrel with her husband, and because of a quarrel which she declined to make public. She said they frequently quarreled. The husband has kept out of the way of the police since the occurrence, but John Owens, found in her room when the police arrived, was taken into custody.

The attempt of Mrs. Goggins to take her life was the fourth in a sensational series, occurring within four days, one of which proved fatal. M. C. Olson, employed as a driver by the United Carriage Company, shot himself to death at 3 o'clock Monday morning on Morrison street, while despondent.

WONDERFUL CURE OF SORE HANDS

By Cuticura After the Most Awful Suffering Ever Experienced.

EIGHT DOCTORS

And Many Remedies Failed to do a Cent's Worth of Good.

"About five years ago I was troubled with sore hands, so sore that when I would put them in water the pain would very nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything that I was told to use for fully three years, but could get no relief. I tried at least eight different doctors, but none of them seemed to do me any good, as my hands were so bad when I got through doctoring as when I first began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings when I got up, to think I had to go to work and stand the pain for ten hours, and I often felt like giving up my position. Before I started to work mornings I would have to wrap every finger up separately, so as to try and keep them soft and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves in bed. In fact, I had to wear gloves all the time. But thanks to Cuticura, the greatest of all great skin cures. After doctoring for three years, and spending much money, a 50c. box of Cuticura Ointment ended all my sufferings. It's been two years since I used any, and I don't know what sore hands are now, and never lost a day's work while using Cuticura Ointment."
