# FIFTY BILLS READ

Oregon House Starts in With a Rush.

## BAILEY WIELDS THE GAVEL

Morning Session of an Hour; 15 Minutes in Afternoon.

SMITH STRIKES FAST PACE

Democrat From Josephine Leads All His Colleagues in Number of Legislative Measures Introduced in Salem Commons.

BALEM, Or., Jan. 10.-(Special.)-The ouse was called to order this morning by Chief Clerk Thompson, in the absence Speaker Mills. Linthicum, of Multsoman, nominated Balley, of Multnomah, for Speaker pro tem., and Bailey was ously elected. Linthicum escorted Balley to the chair, and when the temporary Speaker took the gavel the House went to work with a rush.

The usual resolutions for supplies of stamps, codes and inspection of state offices and institutions, for printing the calendar and for obtaining newspapers to refer all resolutions to the resolutions sittee as soon as read, the resolutions that followed were consigned to that course as they came to the desk.

Fifty bills were introduced and read the first time. They will be referred after Speaker Milis shall have announced the

#### Smith Introduces Bills.

of the joint resolutions came from "Bob" Smith, Dem., of Josephine, calling Oragon City locks. Mr. Smith's activity today showed that he has lost none of his old-time vigor. His many bills made his Republican colleagues prick up their ears and wonder if he is destined to fan up mny breezy debates after he shall have got completely into action.

Concurrent resolutions were introduced for examination of the State Insane Asy- quired to assist. lum, the Penlientiary and the affairs of the State Treasurer, the State Land Board and the Secretary of State; also a joint resolution for inspection of the Re-

All this was accomplished at the morn ing session. In the afternoon the House sembled at 3 o'clock, but adjourned 15 minutes later. Fifteen bills were intro-

As geveral committees have the authority to select their own clerks, no further clerkships have been anounced by the aprtionment committee. Those who are to be employed have been picked out by the mittee and will be put in if the committees are named, as is expected. This will probably be done tomorrow.

less by \$10,000 than the amount expended in this way at the last session. It was a distinct move for economy. The resolution was turned down by Temporary Speaker Batley for being imposalbie, according to the clerkship law.

Copies of the proposal were sent to every member of the House, and Kay sent his forward in the shape of a concurrent resolution. It was stated that the 20th Assembly had expended \$21,-888.45 in clerical work while the last two sessions has cost \$16,831.08 and \$18,198.60, respectively.

## County Prosecuting Attorneys.

A prosecuting attorney for each county at salaries proportionate with population after the present district attorneys shall have ended their terms in 190s will be pro-posed to the House tomorrow in a bill which will be probably offered by Mayger of Columbia. The bill will increase Multnomah's Deputy Prosecuting Attorneys from two to three, each of whom will be that a bill be brought forward lengthening the open season five or ten days afcial districts now has a prosecuting attorney, one of them two, but if one is to be allowed to every county, the number A bill from Muir, of Multnomah, ap-

and to cure defects in judicial sales of lands by executors, administrators and The bill provides that all feeds signed by grantors in due form shall be sufficient to convey legal title without any other acknowledgment. Burns, of Curry, presented a bill in the House to safeguard public bridges from the monace of dame in streams. The measure proposes to prohibit the building of dams within one mile of any public bridge, except when the County Court may be convinced that a bridge would not be a menace. But in such cases, if danger should arise, the owners would be required to remove or abate it within so

seared in the House today to cure faults

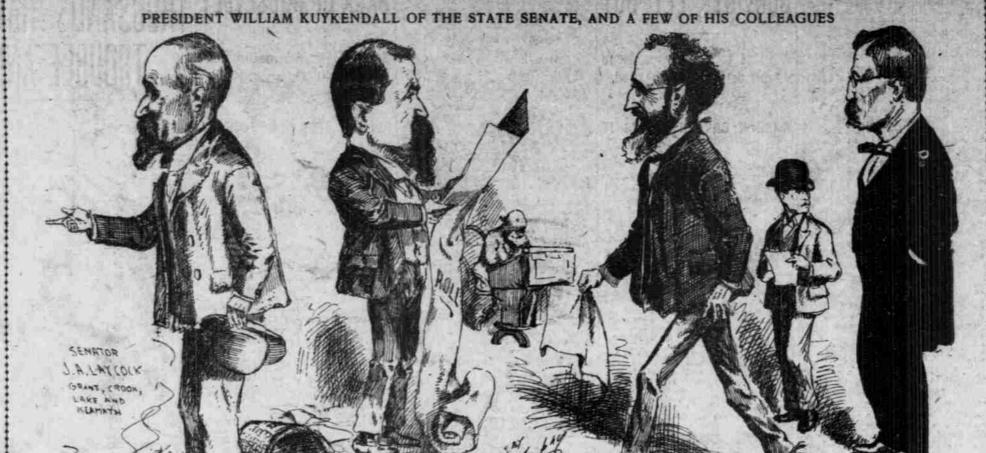

in deeds to real property, because of defective execution or acknowledgment,

#### days, when ordered to do so by the County Court. Bills Printed in Advance.

To enable members of the Legislature to have their bills printed by the state before the Legislature meets is the purpose of a bill fathered by Smith, of Jo-The bill provides that such measures shall take precedence in time and number over those introduced after the meeting of the Assembly. The measures are to be transmitted to the Secretary of State, who shall have them printed by the State Printer.

The salary of the County Judge of Benton will be \$730 a year after July next year, and of School Superintendent sice after July, 1906, if the bill shall become a law which was introduced by Represent-

utive Carter. A bill to authorize jury trials before ders of incorporated towns was offered by Smith, of Josephine. The bill, if enacted, would require Recorders, together with two qualified freeholders, to

required of Justices of the Peace whenever a defermant shall demand a jury trial and pay the jury fee.

To protect salmon from being driven from places where they are protected from fishing by law Representative Burns, of Clatsop, has introduced a bill. The bill, if enacted, would prohibit fish from being scared away from the limits wherein fishing is unlawful, as near dams

and fishracks. A bill fathered by Representative Vawter to give state officers the right to condemn for public uses real property, water courses, water and riparian rights. The public need is to be declared by the state authorities, who, if unable to agree with owners as to price and compensation for damages, shall direct the Attorney-Gen eral to begin condemnation proceedings, in which district attorneys will be re-

### BILLS INTRODUCED IN HOUSE Pet Measures Advocated by State Legislators.

SALEM, Or., Jan. 10.—(Special.)—A bill authorizing the County Court of Clatsop to levy a tax of 5 mills for building a courthouse was introduced by Representative Laws this morning. The bill authortive Laws this morning. The bill action-ties the tax to be continued "through such a series of years as the County Court shall order." Only such money is to be used for the courthouse as shall be raised from the special tax. No warrants are to be drawn nor debts assumed until money has been received from the tax sufficient to meet them.

Speaker Mills arrived from Portland tonight and will preside tomorrow.

What is alleged to be an attempt tobreak up the patronage sinte was made
this morning. C. H. Sholes, a Portland
stenographer, submitted a proposal to
do all the clerical work of the House do all the cierical work of the Houne gives to riparian owners in Curry County during the session of 40 days for \$8250, exclusive right to fishing on Rogue River. one bank and eight miles on the other.

> Representative Burns has introduced bill fixing the salary of the Treasurer of Curry County at 2000 per annum; of Coun-ty Commissioners, 1200 per annum, with 10 cents mileage. "The said officers shall receive no other compensation whatever for their said services." The bill carries an emergency clause. The Treasurer's salary is now 1900 a year and that of satoners \$3 a day.

To may way for better interstate salmon legislation for the Columbia, Mayger of Columbia and Burns of Claisop intro-duced concurrent resolutions in the House today. Both resolutions call for a joint littee of five members to confer with committee of the Mashington Leg-islature for investigation of the needs of the flaheries and for framing bills for

concurrent legislation.

After the Oregou committee shall have reported back to the Legislature, the Lower Columbia fisheries interests desire

three persons who, with the Governor, Superintendent of Public Instruction, president of the State University and lipresident of the State University and librarian of the Library Association of Portland, shall constitute the commission. A secretary, not a member of the commission, shall be appointed. The first members appointed by the Governor shall be appointed for terms of three, four and five years. Subsequent appointments shall be for five years.

The commission shall give advice to school, free and other public libraries; give information on library management and may also purchase and operate traveling libraries to circulate among educa-

ling libraries to circulate among educa cong norance to circulate among equen-tional institutions. It may also establish a Summer school of library instruction and a clearing-house for periodicals for free distribution to local libraries. The secretary of the commission, whose sal-ary is not specified, may travel about the state at the expense of the commission.

Three resolutions asking for postage stamps for the use of the House members were read within a few minutes of one another. Miles of Yamhill asked in a resolution that the seasons be opened with prayer. The resolution was referred. J. M. Keene, of Jackson County, was extended the courtesies of the House.

President Roosevelt is invited to at-tend the Lewis and Clark Exposition by tend the Lewis and Clark Exposition by a joint resolution adopted by the House this morning. The resolution was introduced by Richie of Marion. It cites that the President "has so kindly interested himself in recommending a liberal appropriation" for the Fair, and concludes "that this General Assembly on behalf of the people of the State of Oregon most heartily extend to him the hospitality of the state on that occa-

Representative Steiner introduced Representative Steiner introduced a bill this morning to enable the National Government to go forward with the great irrigation project in Klamath County. The bill would cade to the United States all such lands in the beds of Klamath and other lakes as now are submerged and as will be drained of water. Such lands otherwise would state the such lands otherwise would see the such lands of the such lan water. Such lands otherwise would go to the state, and the National Govern-ment would not carry out the project.

prominent. Today he presented 12 bills, two joint resolutions and a number of verbal metions. One resolution asked that "50 copies be furnished each of the members." The clerks are planning to interpret this literally and pile 60 copies on Smith's desk. "I suggest the passage of that resolution, for I understand the supply is short and the Senate will soon get ahead of us," cried Smith. The resolution went through in record time, resolution went through in record time.

resolution went through in record time.

posed; also lengthening of the Spring closed season after April 15.

A bill providing for the creation of the Oregon Library Commission was introduced by Representative Linthicum, of Multnomah. Three thousand dollars per year is appropriated for the use of the commission.

The Governor is authorized to appoint three possessions who with the Governor.

SENATOR HUYKEN DALL

A bill to require conditional sales of per-The first of the expected changes in the game laws appeared in a bill from Representative Burns of Coos and Curry. By its terms any one desiring to thus game must apply for a license to the State Game and Forestry Warden, and shall pay a license fee of \$11. If a nonresident of the state, he shall pay a fee of \$20. The person to whom the license is issued must take oath that he will not hunt during the various closed seasons.

A bill to require conditional sales of personal property to be recorded was introduced today by Representative Mayger. The bill aims to stop abuses such as the sale of personal property which is acquired in installments and disposed of to a third party before the second party has acquired ownership. For example, the person who secures a sewing machine frequently disposes of it to a third party before he has completed payment and secured title. Mayger thinks that the recording of the conditional sales of personal property to be recorded was introduced today by Representative Mayger. The bill aims to stop abuses such as the sale of personal property which is acquired on installments and disposed of to a third party before the second party has acquired ownership. For example, the person who secures a sewing machine frequently disposes of it to a third party before he has completed payment and secured title. The bill aims to stop abuses such as the sale of personal property which is acquired of the state of personal property which is acquired of the state of personal property to be recorded was introduced today by Representative Mayger. recording of the conditional sale would stop the abuse.

Representative Settlemier today introduced a long bill to make the militia of the state conform to the Dick military

A little bombshell for the politicians as to require the court to give a change

A bill by Mayger would take from County Judges. Sheriffs and County Clerks the drawing of juries and would

Klamath Falls.

The first appropriation asked of the House today was that of Steiner of Lake, who sent up to the desk a bill to ap-propriate \$10,000 for employment of special agents for securing evidence that will cial agents for securing evidence that will prevent lawless acts like sheep-killing. land frauds and other offenses. The sec-ond was for \$5,000 for a girls' dormitory at Weston Normal School. The other Normal schools will be coming forward for appropriations soon; also the State University.

Representative Jagger introduced a bill today to give County Courts power to condemn and acquire lands for road purposes, thus to make less expensive the process of obtaining right of way for public blockers.

To prohibit telephones in immoral places Von der Heilen of Jackson introduced a bill in the House today. The bill, if enacted, will make liable to punishment any person who shall refuse to remove a tele-phone from an immoral house or room within five days after notified of the evil character of the place, and he shall be deemed to be knowingly violating the act. The penalty proposed is a fine of not more than \$100 nor less than \$16, or by imprisonment not less than five nor more than ten days. The bills give Justices of the Peace jurisdiction. Those amenable to the act are to be the persons conducting any telephone exchange.

Two bills affecting the salaries of the highest state officers were introduced in the House today. If either becomes a

the House today. If either becomes a law, the emoluments of the Governor, Secretary of State and State Treasurer will be curtailed. Representative Smith, of Josephine County, is the father of a bill which provides that all fees collected by these efficers shall be turned into the state treasury, above a certain amount, to be fixed by the Legislature.

Fint salaries is the object of Representative Kay, of Marion County. His bill provides a salary of 2000 a year for the Governor, \$4500 for the Secretary of State and the State Treasurer. \$4500 for the Ludges of the Supreme Court (the present salary), \$2500 for the Attorney-General. All fees collected shall be turned into the treasury, and failure to do so shall con-An less conjected small be turned into the treasury, and failure to do so shall constitute malfeasance in office. The constitutional salary of the Governor is but \$1500; the Secretary of State is allowed the same, while the State Treasurer is to draw down 1800 a year, according to the constitution. A number of statutes pro-vide that fees shall be collected, but do not specify to whom these fees shall go. Consequently few find their way into the "The fee system is a vicious one." said

Governor Chamberlain this ever "Flat salaries should prevail. It' shame that the state has been fee-ris so long."

To stave off range troubles of Central Oregon, and land frauds and similar matters, is the purpose of a bill introduced by Representative Steiner, of Lake. The bill appropriates \$10.00 to be expended by the Governor in the employment of special agents, who shall gather evidence on civil and criminal cases, especially where civil and criminal cases, especially where it is believed the regular stars and county officers cannot being the guilty ones to justice. The bills of such service shall be

signed by the Governor, who is not re quired to specify in any report details of the service, who are employed, or where the men were engaged. The plan is sim-liar to that suggested by Governor Chamberiain some weeks ago.

SENATOR

W H HOBSON

OF LINN AND

MARION.

Representative Jagger, of Clackuman has introduced a bill fixing the boundaries of Clackamas County along Butte Creek. Confusion had arisen because the pres-ent boundary is defined as "along Butte Creek to its source." As the stream has several confluents, its original name is lost before the source is reached.

Smith of Josephine today introduced a bill in the House to make the closed sea-son as to salmon on Rogue River the same in Josephine County as in Curry. The bill would prohibit fishing on Sunday and between March 1 and April 1, and between August 1 and September 15.

Another of Smith's bills, this time on the radical order, would prohibit the giving or accepting of radiroad passes or franking privileges by candidates for office or by political committees. The punishment named in the bill is imprisonment for not less than one year nor more than three years, or by fine of not less than 1200 nor more than \$100. No person is to be privileged from testifying under the act, but his testimony is not to be used against him.

H. B. 45, by Carter—Fixing the salistics of County Judge and School Superintendent.
H. B. 46, by Maysse—To amend code relating to manner of forming jury list.
H. B. 47, by Smith of Josephine—Relating to manner of forming jury list.
H. B. 48, by Burns of Curry—Regulating construction of dame and other obstructions in streams spanned by bridges.
H. B. 49, by Von der Hellem—To prohibit togethouse in immoreal places.
H. B. 50, by Mulr—To cure defects in deeds made in execution or acknowledgement and in judicial sales of roal property.

Another of Smith's bills would permi Another of Smith's bills would permit directors of Oregon corporations to live outside the state. Still another would declare void the reservation of minoral rights in transfer of real property hereafter made, but would not invalidate such reservations heretofore made.

Jefferson is the name given to the pro-posed new Eastern Oregon county in a bill introduced today by Representative Burgess, of Wasco. The proposed county is now contained in Crook and Wasso Counties. At the last regular session Mr. Burgess worked for the creation of the new county, then to be called Stock-

man.

Antelope is to be the county seat until 1996, when the location is to be determined by an election in which the successful mittee of five to co-operate with similar committee of washington Legislature. In investigation of Columbia River fisheries; re-Bills were introduced in the House to-day relating to the charters of Junction City, Hood River, The Dalles, Athena and two highest in the election will be voted cast. If no town receives a majority the two highest in the election will be voted on in 1908.

The new county is to be in a Representative and a Senatorial district with Wasco and in the Seventh Judicial Dis-trict with Wasco, Crook, Gillaim, Sherman and Wheeler. The first county officers are to be chosen by the Governor,

officers are to be chosen by the Governor, Secretary of State and State Treasurer, but in 1905 and thereafter are to be elected by the people. Salaries are to be the aame as in Wheeler County:

The law as to treapasa in force in Wasco and Crook as to sheep and other animals are to be in force in Jefferson. The indebtedness of Wasco and Crook to be assumed by Jefferson is to be determined by the County Judges of Wasco and Crook and Max Lueddemann, of Jefferson.

FIFTY BILLS IN THE HOUSE.

of mines.
