HERE'S A GUARANTEE OF NEWNESS

Above is a reproduction of the bill for freight charges on the last car of new Carpets we received from the East. We reproduce this "expense bill" just to show you this is a bona fide new goods sale and not a clearance of odds and ends that have accumulated during the past season. Every piece of goods we offer at these attractive prices is fresh from the factory, bright, clean and full of life. It's a great opportunity we're offering you—the choice of a new, bright stock of absolutely novel and attractive designs at the ordinary "Clearance Sale" prices. We're not having any "clearance sale." We haven't any old stock to "clear." But we won't be behind in the march of progressive merchandising; so we'll make a sacrifice on new goods. Of course, it comes hard to sell new goods at these prices, but it's our loss—the gain's yours.

Every Fabric Fresh From the Factory
