ORIOHAN NEWS WASH.

Columbia, Wash., December 7.--
The chairman of the Senate's Commerce
Committee, Senator Sharp, of 
Oregon, has requested the President's
war minister to divide the
appropriation for the Columbia
River navigation project in order to
make the work under construction
complete. The war minister,
however, is not willing to give
a further appropriation to the
project to complete the work.

The members of the Senate
committee working on the
project have come to the
conclusion that the amount
recommended by the
war minister would not
be sufficient to complete the work
now under construction.
