# Portland's Great Quality, Best and Money-Saving Headquarters

## 91st—Ninety-First Friday "Economy Sale" Today—91st

Your visit here today will be made most interesting and profitable. For over 27 years this store has led in real value-giving—it leads today. It has lessened the cost of living. It offers greatest assortments at lowest possible prices. Purchasing as we do in enormous quantities enables us to sell again to our public at prices that minor competition cannot afford to meet. And yet our first consideration is for style and quality. Nothing is counterfeited here—nothing masquerades as something else. Our mission at all times is to furnish the best at prices the lowest possible consistent with best stockkeeping. COMPARE this store's merchandise with any store's best, or any "best store's" all. We will gladly stand or fall by that comparison. If these words sound strong—don't think them careless. Don't think them used to describe any merely "pretty good bunch of goods." Measure everything in our stocks—advertised or unadvertised—by the dictates of fairness and common sense, judge the "bargains" by our PRICES compared with the values put upon equal qualities elsewhere. Come for what you need today, or others will get your share.

### Dismantling Going on in the Big Apparel Salons

Second Floor  
**Greatest Values of All the Year for Balance of the Week and Monday**

Fashion land is traversed for our ready-to-wear garments for dressy women. Style inkling, unobtainable elsewhere are always found in the gowns and wraps at this house—result of expert selections. The famous salons are always a style-setting center—none too less today, in the midst of dismantling for improvements than ever. Prices and values have agreed to disagree for the nonce, and you benefit by their quarrel.

**EXTRA SPECIAL FOR TODAY**  
**Women's \$25 Suits \$3.95**

A special line of very handsome tailored Street Suits, just right for now and admirably suited for Spring wear. All have the representative charm that the selections of this great "Style Store" always bear. Materials are both seasonable and ultra-fashionable; embracing handsome serges, chevrons and smart mannish mixtures, in plain black, blue and the tweedish effects. Splendidly tailored and altogether the greatest value of the year. Special for today only—the best regular \$25 value in the city for \$3.95.

### SPECIAL FOR TODAY

**Superb Silk Waists \$2.49**  
Values \$5 to \$10

The beautiful silk evening waists are fragile and easily hurt in store renovations and moving about. We prefer to close out present stocks at once and take the loss as a boy takes a bitter pill—all in one deep swallow and a grimace—rather than suffer loss and no one benefit. So today we'll corral the pretty creations, values \$5 to \$10, all in one lot at one price. Materials are crepe de chine, taffetas and penitente notes, in a full line of handsome colorings, including pink, pink, reds, grays, lavenders, helios, etc., also black, white and navy. All at choice for one day only \$2.49 for

### Women's \$1.00 Kimonos 59c

A Special "Melba Sale" of Magnificent Opera Wraps and Gowns, Also a Farewell to the Velvet Coats and Suits

### Velvet Suits and Coats One-Half Price for 3 Days

Opera Wraps and Evening Costumes at Half Price or Less to Close

No extended announcement is necessary. The bare announcement will tell the great "Style Store" with eager buyers—and the sale is particularly timely from the fact that it comes ushering in the appearance of the great Melba at the Armory on Monday night. The magnificent models and wraps occupy many of the fixtures that are to be discarded for newer and more modern ones the coming season. A bit of lace or embroidery torn or any slight damage caused by moving would mean a loss of value. For this reason, we have decided to close out our velvet suits and coats at half price or less to close.

### Velvet Coats and Suits One-Half Price Today and Tomorrow

The story is similar. Fixtures being discarded for new, renovations start next week, no room for the Suits and Fashion Whippersnappers velvet are to be the rare next Winter, with little change of style from present models. All the more reason for eager buying of the great bargain. Choose from any Opera or Evening Gown or Wrap in the House—Regular Values from \$40 to \$200 at ONE-HALF PRICE AND MANY FOR LESS!

The men stated that the sloop early Wednesday morning rendered their craft unmanageable and forced it ashore at Wing Point, a rocky point of land off Eagle Harbor.

The men deserted the sloop and fought their way through immense breakers to the shore, making their way through the woods to Port Blakeley, from whence they came to this city.
