Seven More Days of the 27th Grand Annual Clearance Sales! Absolutely Every Article in the House Unsprungly Reduced—Goods upon which manufacturers control price alone excepted.

COUNTING A MILE A DAY, TODAY MARKS THE SEVENTH MILESTONE FROM THE GOAL THAT

Marks the End of 1905's Great Clearance Sales!

January, with all its drawbacks, brings one blessing to the People. It is the season of Clearance Sales and their attendant lowest prices of all the year on general merchandise. As absolute leaders in the making of lowest prices on dependable goods, it is a conceded fact among all fair and honest minds THIS STORE STANDS IN A NICHE BY ITSELF.

This is a modern store of performance—not promises alone. A store that DOES THINGS and in which people believe. Don't buy in any store merely because a "sale" is announced. That term, like the good word "bargain," is being misused. A "bargain" is a wanted thing at a less than usual price—a "sale" at the O. W. & K. store means a large collection of "bargains," and is never used to beguile the public into buying full-price goods. Great economy is possible in this sale all over the "Big Store"—in every section. Again we remind you, good folk, that but seven days remain of the great Annual Sale—today, and next week. And today's day—AT THIS STORE—has ten hours. For

THIS STORE DOES NOT KEEP OPEN NIGHTS—AFTER 6 P. M. No, not even Saturday; for it has passed the provincial era in storekeeping, and stands alone among Portland stores for the rights of employees to a ten-hour day—a monument to progressive MODERN MERCHANDISING. You can aid the movement for shorter hours for faithful store helpers by doing shopping today—WHEREVER you choose, but BEFORE 6 P. M. We offer a programme of popular selections for the pleasing of our public we trust may touch a popular chord, but not all the bargains are printed. Come to the store and enjoy the full card—BEFORE 6 P. M.

Dismantling Going on in the Big Apparel Salons. Greatest Values of All the Year for Today and Monday. Fashion land is traversed for our ready-to-see garments for dressy women. Style inklings unobtainable elsewhere are always found in the gowns and wraps at this house—result of expert selection.

A Special "Melba Sale" of Magnificent Opera Wraps and Gowns, Also a Farewell to the Velvet Coats and Suits. Velvet Suits and Coats at Half-Price for 2 More Days. Opera Wraps and Evening Costumes at Half-Price or Less! To Close!

We said it would, and it did. The bare announcement flooded the great Style Salons with eager buyers—and the sale is particularly timely from the fact that it comes ushering in the appearance of the great Melba at the Armory on Monday night. The magnificent models and wraps occupy drawers in features that are to be discarded for newer and more modern ones.

Velvet Coats and Suits Half-Price Today. The story is similar. Fixtures being discarded for new, renovations start next week, no room for the Suits, and Fashion whippersnappers are to be the rage next Winter, with little change of style from present modes.

Special Today Women's \$13.50 to \$35 Black Dress Skirts at \$9.93. Think of saving 25% in the buying of a handsome, stylish black dress skirt! That's just what you may, if you'll be one of the early ones here today, for we've included in this remarkable sale of the wanted, long, staple and always fashionable Black Dress Skirts—some of the regular \$35 values; none less than \$18.50—a saving of half and more.

What 79 Cents Will Do for Waist Buyers. Handsome Tailored Waists—Values to \$4 Today only 79c. Another of those Waist Sales, for which this store is famous. Pretty and attractive flannel, brilliant and crepe de chine waists; nicely tailored, in splendid workmanship and a choice of tans, greens, reds, blues, blacks and whites; with stock and the materials, neat trimming effects and plain tailored. Values to \$4 in the lot—Special for today only 79 Cents.

Saturday Specials in Millinery. A hat for yourself? For your little girl? Or one for big sister? We have hats for six, sixteen or sixty. To bring your hat needs to us is to go away with that satisfied feeling, both as to style and the saving price. Many new hats are coming in and going-out without profit, just to keep the year-round salons busy, and some that have worn out their welcome are saying good-bye in a tone that means much loss, but 'tis to be expected these days.

In the Man's Domain. A Big, Broad, Busy Pathway Hedged With Values. Sixth-Street Annex—First Floor. We've nearly doubled the January sales' record in this attractive spot. If we couldn't make it much to the advantage of you men and your good women-folk who look after your wardrobes to lay in a stock of the "fixins" you need for present requirements and coming wants, we'd be foolish to hold a Clearance Sale. But it means more than simply to buy furnishings at least prices of the year, it's our time to clear up and balance stocks; hence this sale means much to men.
