Dr. Cole is a "pisin Republican" with an institutive fieldrust of the pitfalls and niggers-in-the-weedpile of politics. The Zenith indeer baseball team was organized this Winter by the employes of the Marshall-Wells Hardware Company. Most of the men on the team are new players in the indeer game, but the coaching of Williams, Hemistrom and Parker, who have played through several seasons at the Armory, has made the Zeniths prominent among the teams of the city. So far they have played even games, winning four being defeated twice by only one run, with a score in each instance of 5 to 4. Two new men, Bigillion and Williams, have been arbeiliuted for Eva and Backue.
