IF YOU NEED
Window Shades
CALL UP MAIN 21!

We are makers of high-grade Shades.
In their manufacture we use the heaviest
hand-made oiled opales. Every Shade is
mounted on Harrisons rollers.
Our Shades are hung with screws, which
do not mar the casing.
They run true, exclude all the light and
are made to last.
The price is no higher than you would
pay for machine-made opales, cheap rollers
and poor workmanship.
