Dr. Brougher, author of "A History of theMethodist Episcopal Church in the United States of America," has surrendered to a New York publisher his manuscript for a book to be published in thirty months. It will deal with the church history of the country from the time of its foundation to the present. It will be a work of six volumes and will cover a period of more than a hundred years. The work has been long in preparation and is expected to be a valuable contribution to the literature of the country.

MOTHER'S FRIEND

Baby Mine

A mother should be a source of joy to all, but the suffering and danger attendant upon the death of her child is a great trial to all. The greatest joy of a mother is the care of her child. It is the duty of a mother to protect her child from all harm and to see that he is healthy and well cared for. It is the duty of a mother to provide for her child a safe and healthy environment.

FIRST PHOTOGRAPH OF AMERICAN BUSINESS MAN.

The first photograph of an American business man was made in 1840, by a Mr. B. H. Southworth, of Boston. The photograph was of a man who was engaged in the wholesale and retail trade of groceries. The man was a subscriber to the Massachusetts School of Science, and one of the subscribers to the school, Mr. Southworth, took the photograph of the man who was engaged in the wholesale and retail trade of groceries. The photograph was taken with a camera of his own making, and was the first photograph of an American business man that was ever taken.
