WANTS TO BUY ENGINES

If He Fails in This, He States He Will Buy or Lease Vessel for Purpose Looks for a Big Fair Travel.

Mayor John Lindstrom, of Aberdeen, who contemplates putting a steamer on the run between Gray's Harbor and Portland, was over recently and inspected the wreck of the Geo. W. Elder at Goble. Mr. Lindstrom believes the machinery of the Elder can be taken out and put to good service. But the hull is too old to be repaired.

RATE WAR ON THE COAST.

Travel Greatly Stimulated Between California and Oregon Ports.

SAN FRANCISCO, Feb. 3.—A violent rate war has sprung up between coasting steamers plying between Eureka, Coos Bay and Portland. Rates to this city from the points named are being maintained at present, but they may become demoralized, and the larger coasting steamers will no doubt be drawn into the fight.

M. F. HAZEN TURNS TURTLE.

Portland Tug Capsizes in Lower River and Nearly Drowns Crew.

ASTORIA, Feb. 3.—While towing a barge to Chinook this afternoon the tug M. F. Hazen turned turtle and nearly drowned her crew. The tug was making good time when she struck a trap piling, and her bow ran onto her. The captain made his way out of the pilot-house when it was under water and clung to one of the piles, which was only just covered by the tide. The remainder of the crew scrambled on the bottom of the overturned tug in momentary fear of death should the latter explode.

Marine Notes.

The steamer Rosecrans left Monterey last night with a full oil cargo for this city. The new boiler of the Government steamer Arago was tested yesterday by the local United States inspectors. Deputy Collector of Customs R. P. Barnes signed a crew for the barkentine John Palmer yesterday, and the vessel will leave down in a day or two, lumber laden for Tuleburg. Owing to low water, she dropped down from Inman, Poulsen & Co.'s slip to a point above the city levee, where she is receiving the last of her cargo.

abroad at a price supposed to be 97 and interest. Subscriptions for the bonds far exceeded the amount offered, according to the syndicate managers. Because of the demand for the bonds here, only small amounts have been allotted to London, Frankfurt and Amsterdam applicants through the Speyer branches. Of the proceeds obtained for the bonds, about \$50,000,000 will be applied to the payment of maturing bonds and the balance will go into the treasury of the Southern Pacific Company.

OBJECT TO LOSING PASTOR.

Members of East Side Church Wish Preacher to Remain.

When the members of the Third Presbyterian Church, East Side, read yesterday morning's Oregonian that the session of the Bethany Presbyterian Church, of Grant's Pass, had extended Rev. Andrew J. Montgomery a call to become its pastor, they at once commenced sending their objections to Mr. Montgomery over the telephone at his home. The telephone bell rang frequently yesterday. While the protests were from individual members, they evidently voice the sentiment of the entire membership of the church, which will assume a very emphatic official form later, if necessary, and Mr. Montgomery will find out what a hold he has gained on his congregation, whether he accept the call or not.

Pay Homage to Joss.

The josshouses were scenes of festivity. Not only were they filled with worshippers, Chinese during the day, but at night the celebration proper took place in the joss-house, the Chinese had been playing, and what might be termed a Chinese mass was held. There was a large number of people visiting Chinatown last night, and in all probability a greater number will make the trip today and tonight. There is no need of a guide at the present time. All houses are open and all halls are well lighted. All the visitor has to do is to enter, and he will be made welcome. But if the home of a Chinaman in comfortable circumstances in Chinatown, the visitor must be prepared to accept either a cigar or a piece of Chinese cake. To refuse would be to insult the owner deeply, and to cast a shadow of ill-will over his spirit of rejoicing.

STRAIN TOO GREAT. The strain and struggle of busy life causes nine-tenths of the daily aches and pains and kidney sufferings of humanity. The busy folks—who work hard and rest little, who think hard and sleep little—are those who overtax the kidneys most. To overwork the kidneys is to congest and clog them—to disturb and hinder them in their great work of filtering the blood. Busy men and women are too apt to neglect sick kidneys. In spite of aches and pains and urinary disorders they go on overworking until the kidneys give out. There is no middle road for the kidney sufferer. He must either help and cure the kidneys or go the downward course towards fatal diabetes and Bright's Disease. There is no standing still. Doan's Kidney Pills will cure you. This great kidney specific has restored thousands of kidney sufferers to complete and permanent health. It is intended for the kidneys and for the kidneys only.

Watch for Symptoms of Kidney Diseases. Regard Backache as a Danger Signal. Test the Urine. Help the Kidneys Do Their Work. Cure Them When They Are Sick.

HOW TO TELL—There are many symptoms to tell you of sick kidneys. First, the many aches or pains—Dull aching in the small of the back. Sharp pains when stooping or lifting. Rheumatic aching in the muscles. Neuragic pains in the nerves. Headaches, dizziness, gout, catarrh. And the urinary symptoms, some apparent, some found by simple tests—Frequent passages day and night. Scalding, due to inflammation. Scanty passages, or a stoppage. Red, thick and ill-smelling urine. Cloudy or brick-dust sediment. Greasy, frothy or staining urine. Other common symptoms are: Puffy eyes; swollen limbs. Pallid, waxey complexion. Drowsiness, lack of energy, languor. Dizziness, "spots" before the eyes. Weak heart; debility, indigestion. There is only one thing to do when any of these symptoms appear, and that is to cure the kidneys. No need to experiment. Doan's Kidney Pills have cured hundreds of people
