SIDE, Washington-3092.

Attention—masi-lon, the girted palmist and mystic, has returned from the Urtent. She is the only woman living ever initiated into the deep and mysterious secrets of the priests of ancient Egypt. Maci-lon not only possesses that inhorn gift of the soul (clair-voyance), but she has studied for years under masters from India, The Land of Mysteries and Home of Occultism."

Mael-lon is the famous medium who predicted the Russian-Japanese war three years ago; also the re-election of Rossevelt. She has a standing challenge of \$10,000 to anyons who can equal her work.

Mediumistic persons quickly developed to the highest degree. If you have been deceived by false predictions of palmists, clairvoyants, astrologiers, card manipulators, etc., etc., do not despair. The future can be told. Say to yourself: "I will try once more." Mael-lon has given satisfaction when all others have falled. Call or write in perfect confidence. Office hours, 10 A. M. st 9 P. M.
