TWO MONSTER, MAGNETIC
SATURDAY
ATTRACTIONS!
SUPPORTED BY A SURPASSING
AGGREGATION OF MATCHLESS VALUES IN
EVERY SECTION—ON EVERY FLOOR—
TEN HOURS OF TREMENDOUS SELLING!

For, remember, THIS STORE CLOSSES AT 6 P. M. today as on all days. It's all hypocritical poppycock for a store in this 20th century to say they "keep open to accommodate the masses of workers." The fact that every store of any account in every large city of this broad free country DOES close EVERY evening at 6 o'clock, or earlier, shows the absurdity and falsity of such a ridiculous statement. For 'tis to the working masses these stores owe their very life. And 'tis the workers that benefit from the early-closing hours of this modern, progressive store. This is our honest, straight-from-the-shoulder view of the matter, from a down-to-date viewpoint. Other good merchants may differ—a privilege allowed by the Declaration of Independence—but should YOU favor OUE view please shop before 6 P. M. on Saturday.

Today is the Second of the Stupendous
Renovation Slaughter Sale of Women's Apparel
Suits and Other Garments Ready-to-Don and the
Third in the
Series of Grand Hourly Sales

The "Different Store" 59.67 - Washington St.
Olds, Wortman-King
PORTLAND'S LARGEST FOREMOST STORE

THE SENSATIONAL
"Renovation Sale"
OF WOMEN'S WEAR CONTINUES
TODAY!

In the Big Apparel Salons—Second Floor.
**Values Almost Unbelievable!
Bargains Absolutely Unparalleled!**

"Gainful transactions" that are simply unmatched await today's patrons. An awful, tremendous sacrifice on women's ready-to-don garments that surpasses any offering of any sort ever handed to Portland women. It's an almost "help yourself sale." You'll hardly believe your eyes when you read the prices; you'll marvel still more when you see the splendid garments those prices are attached to. Happy, satisfied throngs were here today, and even greater ones will come tomorrow to this Veritable Slaughter Sale. It is the quickest moving of merchandise ever known in the West, if not in America. If you've been on the second floor this week you'll know the reason for such wholesale massacre of prices. Those who've been here know that pandemonium reigns. Carpenters and painters have complete possession. Scaffolding is everywhere, and business is driven into a corner. There's a hurly-burly and a hubbub that's positively frightful.

**Magnificent Garments
ARE IN DANGER!**

We've been compelled to move every piece of merchandise on the floor. Now, if you can stand the discomfort of mingling with the workmen and their noise, and wending your way under scaffolding and ladders, you'll be privileged to share in the greatest distribution of bargains ever attempted in the West. The goods must be got out of harm's way, no matter what the loss. We prefer to benefit our patrons than to risk a loss by damage during the renovations going on. We'll lose hundreds of dollars in this sale—yes, perhaps thousands—but you'll be the gainers. Be amongst the early ones.

**Sale Ends at Closing Time
Today**

A SCHOLARSHIP FREE

Furnished by This House by Popular Vote

"Know the true value of time; snatch, seize and use every moment of it."
—Earl of Chesterfield.

Have you ever realized the value of odd moments? It has been stated that the average man spends nine hours out of 24 in work, nine in sleeping and eating, and the remaining six in recreation. In one year this spare time amounts to the equivalent of 81 days of 24 hours each. Just think of it! Ninety-one days spare time each year at your disposal—to do with as you please! What are you doing with this spare time? Is it spent in the pursuit of pleasure or in aimless, misdirected effort? Your spare time is worth money to you if you know how to cash it. It is the holidays, the evenings, the spare moments that try character. Someone has said: "Find out how a young man spends the hours between supper and bedtime and you can accurately foretell his future." If you have been wasting your spare time, stop! Use it to better your condition—to get out of a poorly-paid position into one that means a better salary and greater opportunities.

It won't take so much of your time, either. An hour a day put in in good earnest, definite study will, in from six to nine months, advance you in both place and salary.

We provide the opportunity, and will furnish all needed text-books FREE with scholarship in the I. C. Schools to the person selected in this voting contest. A vote with every 25c purchase. Contest closes at 6 P. M. Saturday, April 22. No votes for employees of this house will be counted. The reason is obvious.
