Senator Mitchell Demands Early Trial.

HAS HOPE OF VINDICATION

How Max Pracht Got a Job by Giving a Tip.

NEW STORY OF TANNER NOTE

By Informing Government of Its Existence, He Caused Its Capture, and Earned His Reward—Robertson Not Dismissed.

OREGONIAN NEWS BUREAU, Washington, Feb. 21.—Senator Mitchell is not at all satisfied with District Attorney Healy's plan to commence the trial of the land fraud cases in June.

He said he would be in Portland about March 12 and intended immediately to see Judge Bellinger and ascertain whether or not it will be necessary to postpone the trials until June.

Senator Mitchell says that Mr. Healy some weeks ago publicly declared that he (Mitchell) should have a speedy trial, that there would be no unnecessary delay.

Harry C. Robertson, Senator Mitchell's private secretary, whose testimony before the grand jury and before Judge Bellinger in Portland was anything but favorable to Senator Mitchell, has not lost his position.

Senator Mitchell's letter to Robertson, turned a sharp trick to his own advantage. Pracht recently resigned as special agent of the Land Office and came to Washington seeking an appointment in some other department.
