

Special Announcement TO THE PUBLIC:

Olds, Wortman & King have been appointed sole distributors of the official emblem of the LEWIS AND CLARK EXPOSITION, used so largely on windows. These opalescent signs are in clear and beautiful colorings, and are easily transferred to any glass surface, window or door of store or residence. They are pretty and durable, and easily removed with water whenever wished. Every loyal citizen of the Pacific States should display one on front door or some prominent window during the Fair. MARCH IN THE BIG HOUSE-FURNISHING STORES ON THE FOURTH FLOOR. Portieres, Curtains and Bed Sets

AT SPECIAL REDUCTIONS. GO-CARTS AND COVERS. THE GREAT SPRING SALES OF CARPETS ARE ON IT! It's luck. It's prudence. This store has built up a great house-furnishing business—a phenomenally great business; a business that makes our trade tempting to every mill and factory in the land that's engaged in making the goods. We cut across lots to this success—by being fair. We've stood out for utmost profits—and when we found that released money could be laid out advantageously in future stocks we've never hesitated to reduce prices to quicken sales. That's all there is to it. Understand please, that houses of the Olds, Wortman & King class confine their stocks to the standard makes. We get first pick of stocks always, and are generally commended for splendid selection. That's why you'll find such values as these men more here than elsewhere. NEW SPRING SHOWING OF 1905 PORTIERES.
