Special Announcement TO THE PUBLIC:

Olds, Wortman & King have been appointed sole distributors of the official emblem of the LEWIS AND CLARK EXPOSITION, used so largely on windows. These opalescent signs are in clear and beautiful colorings, and are easily transferred to any glass surface, window or door of store or residence. They are pretty and durable, and easily removed with water whenever wished. Every loyal citizen of the Pacific States should display one on front door or some prominent window during the Fair. Silks and Silk Houses A MONSTER SEASON OPENING OF THE

NEW SPRING SILKS AND SUITINGS

A LITTLE TALK BY OUR SILK MAN. The Silk Store-South Annex-First Floor. Following our usual custom, we inaugurate this week-

A Monster Semi-Annual Sale of Dependable Black Taffeta

Right here we want to impress upon the gray matter storage cells of Portland's silk buyers the fact that THIS HOUSE buys only from the silk mills direct. One does not take a chance HERE of buying silks that have been stored away for months or years on a jobber's shelves, rotting in the dyes or mildewing from damp. The silks HERE are bright, crisp and new, full of "swish" and life, so desirable in silks. Another feature well to bear in mind is the fact that, buying as we do direct from the manufacturers, we save the 25 to 35 per cent of profit exacted from other Portland houses by the "middlemen" they buy from. No "jobbers" silks here. However, like the immortal Washington of cherry (or apple) tree fame, we cannot tell a lie, and say that "we have yet to have one complaint about the silks we sell."

the other day, emanating from the fiery pencil of another store's "ad-man." But, like other things from the same source, such statements must be taken with a large box of salt. That "ad-man" has probably about as much knowledge in a practical way of silks as we would have of putting steel shoes on Croesus. He was using "advertising license'' instead of silk truth. There is not a reputable silk house in the world but has SOME trouble with their silks. For verification, we refer to such world-famous silk houses as Altman, McCreery, B. Stern, Arnold, Constable & Co., of New York; Marshall Field, of Chicago, and others of equal note. What we have done is REDUCED SILK TROUBLES TO THEIR MIN-IMUM. What we do do is just what those other REPUTABLE houses just mentioned do, and that is ALWAYS MAKE EVERY SILK BUYER SATISFIED AND HAPPY WITH HER PURCHASE, and the same applies to Dress Goods.

New Spring Colored and Black Dress Fabrics are here, and the latest weaves, colors and novelties arriving daily. No pains have been spared to bring to this, Portland's Largest and Best Dress Goods Shop, the best and newest the world produces.
