as his opponent, and he ducked around the corner followed by the American boy, both intent on making their escape.

portain similarity.

Song recital programmes are too often alike, not so much in the choice of songs or of composers, but in the special line the artists want to interpret. Few ac-tresses or actors are really content until the one has easing of allow and the tand the other Romeo or Hamiet. The man or woman with the God-given grace of song natur-ally wants to interpret the best mumber of wires on the poles, and the large crowd to be driven back out of danger's way by the best composer, and the result is a "The mumber members means and children present had to be driven back out of danger's way by the best composer, and the result is a

GREAT BARITONE IS COMING David Bispham's Programme Will Be Unusually Attractive and Varied. Song recital programmes are too often are those who take pride in Portland's

are those who take pride in Portland's appearance. "Then let the City Engineer and Street-Cleaning Department be instructed that they must work in harmony with this committee composed of good citizens. The pleasant rivalry started by the price offer-ings, together with the vigilance of the general committee, would give us an ab-solutely clean city. It would be a credit to all citizens and be in general harmony with the wonderful natural advantages which Portland is already snjoying to an extent unequalled by any other city in the United States."
