BROWNS WIN CAME

Manager McCredie's Players Defeat Bakersfield 6 to 2.

HAD TO PLAY ELEVEN INNINGS

Only a Few of the Local Men Were on Hand to Take Part in the First Exhibition of the Practice Season.

BAKERSFIELD, Cal., March 5 .- (Special.)-Five hundred people saw the Portland team defeat Bakersfield this afternoon. It took the Browns II innings and three pitchers to win. Essick, St. Vrain and Householder were easily batted by the local men. Young Claffin, who pitched for Bakersfield, held the big men to five hits. In the eleventh inning Portland bunched its hits and scored four runs. The final score was 6 to 2

The workout today was a strenuous one for the Webfooters. McCredie's men had to make a great effort to hold their own. In every inning Bakersfield had men on bases, and three times the bases were filled, but the balltossers from Portland took a brace each time and retired the side. Collectively Portland played a good game, though rather slow and with frequent errors. Some of the players were very stiff, especially St. Vrain and Jones. McCredie played a good game at center, but was slow in running bases.

Manager McCredle expects his entire team will have reported before the mid-dle of the week. Then the work of whip-ping the team into shape will begin in

SEATTLE'S FUNNY BOAST.

Scribes Are Making Excuses for Their Baseball Team.

The baseball scribes of Seattle are priding themselves that Russ Hall. manager of the Siwasnes, is the only manager in the Pacific Coast League who has not predicted that his team would win the penant or be one, two, three. This may be a bit of salve for Hall, but it will produce a laugh around the circuit. The fact of the matter is, the Siwashes this year have the appearance of being a slim aggrega-tion. The Scattle mogule have grown tired of digging up their "gelt" for star ball players, and this year they are going to try the other extreme. Hall is still having his own troubles.

He has not come with Nick Williams, Jay Hughes or Tommy Leahy. Hall sold Hughes to Manager McCredie, but which the Seattle fans set up their howl, the magnates skinned it back and wired to Hall to say that it was all a joke. Whether McCredie will pass up the matter remains to be seen, but there is a disposition among the fans to censure the local manager if he lets

Hughes go without a fight. Pitcher Nick Williams is still holding out. He will not stand for the cut in his monthly revenue. Tommy Leahy, who was traded to Seattle for Parke Wilson also refuses to stand for the reduction in salary. Hall has been trying to sell Leaby to Salt Lake and give him half the purchase price, but Tommy on not like the looks of the outlaws Leahy prefers the Coust League for he is sure they will play out the schedule. In speaking of his differences with Hall, Leahy said the other day: "I think Euss Hall must have a griev-ance against me. After trying to dis-

pose of me against my wishes, I back-ing one deal in particular, he tenders me a contract on March 2. Now, according to baseball law, a player is free if not given a contract to sign by March 1. I don't want to take advantage Hall doesn't treat me right I will be tempted to. What I want is my release, so I can do business with other clubs before they get all the men they want."

DENTISTS PLAY BALL.

Juniors of North Pacific College Defeat Freshmen.

North Pacific Dental students have started their baseball season by a game between the freshmen and juniors yester-day morning on the Pettygrove-street grounds. The funiors won from the freshmen by the score of 25 to 10. Partisans of the three classes were there to root for their favorite side. The seniors did their best to encourage the freshmen, but it was of no avail. The juniors anticipate the pleasure of defeating the seniors next Sunday. The regular college team will be picked from the different classes

fter try-out with the seniors.

The lengthening of the college year to June enables the students to put a baseball team in the field which will be able
