IN SCOTCH MARKETS

Oregon Apples Bring High Prices in Edinburgh.

FINEST FRUIT SEEN THERE

Fancy Newtown Pippins, Well Packed, Sold at 20 Shillings' Per Bushel-Large Profits Made in the Deal.

Oregon apples are in high favor in Scot price equal to \$15 a barrel was recently re-lized on a lot sold in the Edinburgh market.

affire 30 days.) Best sugar granulated, \$2.50 per 100 pounds; maple sugar granulated, \$2.50 per 100 pounds; maple sugar granulated, \$2.50 per 100 pounds; maple sugar granulated, \$2.50 per 100 per 100 pounds; maple sugar granulated, \$2.50 per 100 per 100 pounds; maple sugar granulated, \$2.50 per 100 pe and, above all well graned and attractively racked. Exacter States Newtown Pippins pecked in burrels, the best that could be sent from these centers, have asid for as much as dis a burrel—the highest price secured this season for Newtowns in burrels. But what is that sum to 20s a bushel, equal to 60s a barrels. This wonderful difference is not alter-This wooderful difference is not alto gether due to variations in quality. The small, gether due to variations in quality. The small, clean, hushis-ber package plays an important part in respect to price. When we first adve-cated the use of the nonchargeable bushis-box by home apple packers, the question of cust was at once raised as an objection against the use. But that is of no account when the extra prices secured by its use and the decreased cost of transit are considered. The foreign grower now send us over 1,000,000 hughest boxes of refuse such boxe. Their use is found ges of apples each year. Their use is found minnerative by them. The prices that have an make for apples already this year are though a parallel in the history of the trade, at yet the foreign Iralignower does not domate the situation in this respect enclusively, fillish apples like a lab been sold this year at a haif, second to 20% a humbel, and if the first a haif, equal to 20s a butchel, and if the fruit had been collected and specially graded and packed like the Oregon fruit, it would have made higher prices utili. Months ago we gave finst and exclusive news of the ectual collection and purchase of these Oregon fruits in the Scotaman. We said that they had been bought at 10s a buskel in the orchards of Oregon. Well, as 10,000 bushels were secured, it is clear that large profits had been made on the deal. At the time we amounted the pur-The in half, equal to As an apschally graded and packed like the Oregon fruit, it would have made alied prices attil. Blooths ago we gave finst agreement as the access of these Oregon fruits in the Sootman. We said that they had been abught at 10% a bushed in the orchards of Oregon. Well, as 10,000 bushels were secured, it is clear that large profits had been made on the deal. At the time we announced the purchase tops of home grown apples were a dright is clear that large profits had been made on the deal. At the time we announced the purchase tops of home grown apples were a dright is clear that large profits had been made on the deal. At the time we announced the purchase tops of home grown apples were a dright is clear that large profits at 10% of the pound at the first large tops of the second of the purchase tops of home grown apples were a dright large tops of the second of the purchase tops of home grown apples at high values, even in seasons of abundance. With so markets is practically insatiable in the four king-down, even in seasons of abundance. With so much fruit land available in the four king-down, even in seasons of abundance. With so much fruit land available in the four king-down, even in seasons of abundance. With so much fruit land available in the four king-down, it is a ptry that apple planters are not the seasons of the property of the seasons of the property of the seasons of the seasons are not seasons. done much good to country cultivators, and the prospects for extended production are certainty better than ever. Cold storage for home-grown applies will prove of unfouthed value to all mounected with the business. As far as the grower is concerned, it will enable him to prolong the season at a time when the beek prices are realized. With a vasity increased output by home-growers, the use of monchargeable standardized better and cold storage. It is provided the season at a time when the beek prices are realized. With a vasity increased output by home-growers, the use of monchargeable standardized better and cold storage the Spring apple season can be made must lucrative and important. Cold storage has enabled the foreign apple-grower to standardized better the foreign apple-grower to standardized better the foreign apple-grower to standard the position in the British fruit markets. When will the British apple-grower transplaces his position in the British fruit markets. When will the British apple-grower transplaces are considered to the storage?

TESTING THE MARKET

SPECULATION IN STOCKS TAKES ON WAITING ATTITUDE.

Combinations and Merger Stories Losing Their Effect to Stimulate the Demand.

NEW YORK, March 7.—The speculation stocks took on rather a waiting attitude it day, and business was largely commed to is-ing operations to learn the temper of the ma-These failed to develop any vigorous up

ket. These falled to develop any vigorous up-ward londency, and the subsequent drop was due as much to disappointment over this lack as to any positive pressure.

The Northern Securities decision or supposi-tion regarding it has figured so long and so often as a speculative factor that the marged is somewhat at a loss with the conclusion reached. But the apathetic tone which is creeping over the market evidences that the many combination and merger suries, home

seller of securities, apparently on account of the dark Russian prospects. New York ex-change at Chicago declined to a small dis-count, and the New York Subtreasury contin-ues to take a considerable sum from the New York banks.

Herived rumons of a read merger was re-sponsible for the strength of National Lead and the Smelling stocks. The few gains were poorly held, and the market as a whole plainly showed the waning influence of the unverified one which have long served to carry prices

upward. The closing	WALL O	BIT BI	d at	abou

Gets Warrant for His Neigbors. A warrant was issued out of Justice Reid's court yesterday for the arrest of Samuel Boise, C. Duncan, — Florence and — Sanders, upon the complaint of A. H. Balberts, who charged that the defendants had threatened to kill him.

of a neighborhood row.

Balberts says that in a lawauit in which Boise was one of the principals more than a year ago, he appeared as a wilness, and when Boise lest the suit he attribute his defeat to the testimony given by Balberts. Since that time Boise has shown if feeling toward Balberts, the latter alleges, and has tried in every way to injure and intimidate him.

Will Push Work on Jetty.

way will be fully repaired and in readiness for actual extension work. As soon as Major Langhtt is officially notified through the Chief Engineer of the availability of funds by reason of the recent appropriation all Government improvement work will be started.
