I feel it my duty to thank you for the good Wine of Cardui has done for me. I was nervous, worn-out and on the verge of a general break-down. Providence directed one of your little books my way and I bought a bottle of Wine of Cardui. I had taken it but three days when a decided change was perceptible. What it did for me it will do for any other woman, and I never fail to take advantage of an opportunity to recommend it as a reliable and sure cure. MRS. BESSIE F. SMITHER.
