ANENT THE GREAT SALE OF MOHAIRS THAT STARTED YESTERDAY In Dress Goods Salons-Second Floor

Plain mohairs, checked mohairs, melange mohairs, shadow mohairs are meager outlines of the new ones that keep coming into the Dress Goods Salons. Take checked mohairs, for illustration. Couldn't take a better one, for checks are the thing for Spring. There are dozens of styles of checked mohairs. Distinct, clear-cut blocks, indefinite checks that are merely hinted. The finest mohairs are from Bradford, England, and we've large showing of these splendid weaves. The great demand. can't help reaping a scarcity among the best colorings and styles. Stocks are at their high-water mark of completeness just now at this store. No stingy, meager showings, but a generous, bountiful feast-and such values! Read!

Pirst Floor-Domestic Aisle.

One of the city's "Inflammatory Stores" let its imagination loose yesterday morning and told a weird tale of its buying capacity in the sheeting line, and incidentally quoted a list of prices on "Pequot Sheetings" just a half a cent a yard higher on every grade than we sold them all day. Just by way of example again of this great buying organization's control of the market at all times, we quote yesterday's and today's prices on "Pequot Sheetings"-
