END OF THE WEEK BARGAINS

Join Hands with the First of a New Season's Style
Shows in a GRAND CARNIVAL of Saturday Selling!

Spring music fills the air in one grand anthem. The theme is "Authoritative Fashion"—"Latest Style Modes"—"Newest Dress Themes"—but underlying it all is the strong tone of genuine bargains—of lowest prices in the city on dependable merchandise. It's a genuine pleasure to stroll thro' the store these Spring days; at every turn new beauties greet the eye. Here is a vast gallery—an exposition on a grand scale of the world's best products. The highest development of art in merchandise conjuring surrounds one at every step. An enthusiast would spend hours in studying the new effects, the new designs in fabrics, laces and dainty embroideries, the new garments and pretty hats—and we might go on with mentions until we filled a page—but after all—a study of the PRICE TICKETS is what interests the great majority. Below you may read of what a few have to tell. Remember, the store closes daily—Saturday included—at 6 P. M.

IN THE WOMEN'S APPAREL SALONS.—LARGEST AND FOREMOST SUIT AND COAT STORE WEST OF CHICAGO.—Second Floor—Grand Salons.

The Best Suits We've Ever Had Are Here

Suits that rival and in some ways surpass our best efforts since we opened this store.

The brain of the designer, perhaps unwittingly, has put into concrete form, shapes and color combinations that are rare and artistic—so different from the every-day sort, that they mean everything to the woman who wears them.

If you, like your hundreds of sisters, want something different, you will come here, just as they come here for it. And the prices are lower. Yesterday we saw in another store window a suit that was the exact replica of one we have marked \$35. It was marked \$40. Wouldn't you as soon save that \$5.00? It's seldom, indeed, that the duplicate of a suit of ours is shown elsewhere in town, but, as in this case, when it is, it sells for less here.

NEW STREET SUITS

In jacket, Eton, blouse and tight-fitting effects, in materials of homespun, serges, chevots, panne chevots, broadcloths, Panama cloths, mohairs and handsome exclusive patterns in mannish mixtures. A full color line, embracing blues, grays, browns, greens, tans, blacks, mixtures and the ultra-fashionable shepherd plaids and checks; the price range is wide. The "Pequot" Sheet Market Is Lively

First Floor—Domestic Aisle.
With a decidedly "bearish" tendency. As usual we are in absolute control. A minor store advertised "another drop in Pequot Sheetings" yesterday. As usual we undersold them. Our patrons bought "Pequot" Sheetings all day here at a half-cent a yard less than any other house in the city sold the same story cloth.

Later lower quotations may follow at the counter. We will positively undersell all other stores at every stage of the game, no matter what the loss. It's a good thing to "bear" the high-price "bull" shops occasionally.

A Saturday Sale of Mohairs

In Dress Goods Salons—Second Floor

THIS IS A MOHAIR SPRING

Plain mohairs, checked mohairs, melange mohairs, shadow mohairs are meager outlines of the new ones that keep coming into the Dress Goods Salons. The finest mohairs are from Bradford, England, and we've large showing of these splendid weaves. The great demand can't help reaping a scarcity among the best colorings and styles. Stocks are at their high-water mark of completeness just now at this store. No stingy, meager showings, but a generous, bountiful feast—and such values! Read!

Another of those Popular Children's Days in the Millinery Salons Today

West Annex—Second Floor.
We've never had so many Children's Hats as this Spring—or so pretty. Seems as tho' all of Portland's kiddies were turning to this store for their new hats. Must be they've heard of the unusual attention our buyer and makers have given to getting together this season the largest and handsomest stocks of Children's Hats ever shown by any millinery house in the West. We appreciate the business brought us by the young folk and show it in our gorgeous new stocks now ready—two for every one that any other millinery store in the city can show; prettier and more exclusive styles. What else? Oh, yes! Price—lower than elsewhere, as ever. A hint!
