FRENCH AND ATZ REPORT

Manager McCredle Decides That Young Coe Won't Do-He WIM Try to Sign Fred Clark to Fill the Vacancy.

BAKERSFIELD, Cal., March 15 .- (Special.)-The weather cleared today and the grand new recreation park was inaugurated with a game between Portland and a picked nine of local players assisted by bactery of Webfooters. Portland won by a score of 9 to 2

The game was slow and featureless, the only interest being centered in the working out of nearly all the pitchers against the Portland men. Gilpatrick and Cates twirled for the regulars, while Garvin, St. Vrain and Essick tried to hold their colleagues down. Garvin was in for two innings. His work is wonderful, in line of speed and change of style. Cates is a eady worker and hard to hit.

Jakey Ats and French arrived from New Orienns this morning and the for-mer took his regular position at short. He had several opportunities to dis-play his ability and make good. Schlaffy at second picked up some hot ones. Swindells has not worked much on unt of a lame knee, and Van Buren has been suffering from a lame side. Coe does not seem to fill the catcher's position very well. McLean and Atz and several other Portlanders are very heavy

and expects to have him here this week. WILL HAVE GOOD TEAM.

UNIVERSITY OF OREGON, Eugene, March 19.—(Special.)—Now that the four leading colleges of Oregon have perfected the organization of an athletic league, the 'warsity trackmen have begun light training under the direction of Captains Hug and Perkins. The four colleges con-stituting the league are: Williamette Uni-versity, Pacific University, Oregon Agricultural College and Oregon.

No exact date for the final meet of the rival teams has yet been fixed, but it will be held in Salam about June 10. The association is to offer a \$50 cup, which is to be awarded to the team scoring the greatest number of points, while medals will be given to the men winning first place. Such are the inducements aside from college honors that have caused a large number of men to begin track work. Then the old athletic league, comprising the six leading colleges of the state, used to meet annually in Salem the State University nearly always captured the trophy, and every effort will be made to add another cup to the gymnasium plate-rall. With a majority of the members of last year's squad in colleges and as much likely material as there is in the freshman class, the organization of a repre-sentative team is possible. Fred Haywood, a California man, who

has been engaged to coach the sound has sent directions to the individual men suggesting very light work until his arrival early in May. Mr. Haywood trained the equad last year and is personally acquainted with the possibilities of all the old men, thus making it possible for him to direct the most of his energies toward making a pole-vaulter out of one of the

ton, May 20; Oregon vs. Oregon Agricul-tural College, May 27. The possibility of an Oregon-California meet is being dis-is unfair."

DENTAL STUDENTS BEATEN

South Portland Team Won Ball Game In Slop. The North Pacific Dental College and a

picked tsam from South Portland met on the Savier-street grounds yesterday fore-noon. Both teams had an opportunity to show their skill as mudlarkers, though the South Portlands seemed to have the advantage in this respect and defeated the Dentals by the score of 17 to 11. The boys put up a pretty good game, considering the condition of the grounds. The Dental College has good material

and with more practice they will soon be able to hold their own with any amateur team around Portland. This may be said of the South Fortland picked team. The game had to be called in the last half of the ninth inning on account of the heavy rainfall. Both Captain McNerthney and Captain Michael used good beadwork in handling their teams. The line-up was as

Two Pitchers, Score 3-0. SAN FRANCISCO, March 18.--The San Francisco team shut out the Chicago club here today by a ecore of 3 to 0. The locals put up a fine fielding game, the feature of which was Muhier's work at second. He handled is chances. Whalen pitched the first three innings

for the home team without allowing a hit. He then gave way to Whoeler, who kept the visitors puzzled. Chicago tried three pitchers, the second being Brown. against whom three runs were scored,
