

'bund' withdrew from the revolutionists deputture for Berlin to attend the wed-and joined the Zionists for mutual sair-ding of Crown Prince Frederick William and joined the Zionists for mutual solf. defense. Also students of other nationali-ties, mainly of the Eastern races and the Duchess Cocilia of Macklenburg-Schwerin, Count Aroo-Valler, the Ger-man Minister to Japan, was dined and given a reception tonight by Prince and given a reception tonight by Prince and where every Jew had to report at the

ment

"Knowing that it was to be war, we had prepared to care for our wounded. The prepared to care for our wounded. The rich Jews opened quarters for hospitals and engaged many physicinga, nurses and Sisters of Mercy, and had a great number of bandages. You may be sure that the administration would not have had an emay job, as at Kishinef. They wore sure of victory. of victory.

Governor Refuses to Interfere.

"We had plenty of hand greundes and the slaughter and destruction would have been frightful. While prepared to fight, the Jews sent a delegation to the Governor to ask him to prevent bloodshed. He answered that he knew what was transpiring but was unable to interfere. He said that as soon as the demonstration began the police would be powerless control the mob from taking revenge to the insults to the 'Little Father, the

"In other words, stop the demonstrations and there will be no massacre.

"The Jews then went to the Mayor, permitted, the city would be doomed. There would be bloodshed worse than in the Caucasus. The bombs would work fearful havoc.

Mayor Stops the Slaughter.

"The Mayor took the hint. He went straight to the Governor and after a conference they telegraphed to St, Peters-burg. The result was that the manu-facturers and directors of all industrial concerns in Odessa received orders from the government to call together the workingmen and give them all the con-cessions possible; to avoid a strike and a demonstration. "The Mayor took the hint. He went

cessions possible; to avoid a strike and a demonstration.
This was accepted by the revolution into as a sort of compromises and the proposed demonstration was called off. March 16 instead of demonstrations, banguets were given in the factories to strike and a geoches were delivered by the employers, promising the working met and apocches were delivered by the employers, promising the working met analy material concessions. Since the all has been quitet how long it will be four persons who had each courtribution to the four persons who had each courtribution of the same of the four persons who had each courtribution of the same stillman, of New York and had satisfactory assurance that the factories to the four persons who had each courtribution of the same stillman, of New York and had satisfactory assurance that the contribution of the same of Columbia University.
