Mr. Richards and his chief clerk have member abused their privileges by promoting clerks and employes in their office, have required Land Office clerks to prepare speeches for members of Congress and hint at other acts not specified.

There is no Government official in Washington with whom the President is better pleased or in whom he has more confidence than Mr. Richards, and there is no official who would welcome thorough investigation of his office any quicker than Mr. Richards. While it is possible there may be investigation, it is not anticipated it will reflect on Mr. Rinhards. There is investigation in progress as to the methods by which promotions have been made by men closer to Mr. Hitchcock than Mr. Richcloser to Mr. Hitchcock than Mr. Richards, and these men have put in circulation stories which tend to create the impression that there is something rotten in the Land Office. was fractured.

Mr. Richards is now in the West, but other Land Office officials declare there is nothing to fear from investigation. if one should be made. Careful investigation fails to disclose any ground for the report that a scandal is brewing in the Land Office.

CASES OF BAKER AND LINDSLEY

Report Leaves Doubt as to One, but Cleare Other of Charges.

OREGONIAN NEWS BUREAU, Washington, March 28 .- The Attorney-General has received the report of Special Agent Ramsay, who investigated charges against George H. Baker and Joseph B. Lindsley, recommended re-spectively for Marshal and District Attorney of the new Eastern Washington Judicial District. No action has yet been taken and the Attorney-General declines to discuss the report.

It is believed to clear Mr. Lindsley and leave some doubt in Mr. Baker's ruse. The Washington Senators will confer with Mr. Moody tomorrow and ascertain whether, in view of the report, Messrs. Baker and Lindsley are to be appointed. If not, they will name 198W men.

LONDON, March 28-It is asserted in well-informed circles here that a French squadron will visit British waters during the Summer and anchor off Spithead for the purpose of emphasizing the cordial understanding arrived at between France and Great Britain.

THE NEWEST DRESS HATS

We are constantly displaying all that is the most up-to-date in feminine headgear-we are constantly receiving small shipments. Our residont buyer in New York buys up every desirable late style and hurries it here by express, so that in this manner we can show styles almost as soon as they are seen on the streets of our Eastern cities. Amongst our stock of imported hats we have the most elegant conceptions of the milliner's skill from such leading European houses as Caroline Reboux, Mme. Georgette, Çamille Roger, Francois and Mme. Carlier. These hats have attracted great attention within the few days we have shown them, and as we are the only firm handling these exclusive models we cordially invite you to call and inspect them.

Our Suit Salons second floor is daily attracting more attention. The ladies of Port-land have always known about the quality of our garments and are Our showing of Ladies' Suits, Cloaks, Costumes, Jackets, etc., on our now finding out that in order to obtain exclusiveness at a nominal price they must come to the Silverfield Co. Those who have never visited our store should do so now, thereby having an opportunity of examining the very advanced styles we are showing, especially in our Suit Salons.

Ladies' Furnishings Our stocks of Belts, Neckwear, Handkerchiefs, Hand-Bags, Hosiery, Combs and Hair Ornaments is new and en-

tirely up to date. We give these departments much of our attention and always endeavor to have styles and novelties not kept by any other firm. Our prices are no more than you would pay for articles kept by every other firm in the city, giving you the always coveted opportunity of being a little different with no increase in the cost.
