Richards Ready for Investigation.

OMAHA, March 25.-W. A. Richards, he Commissioner of the General Land ffice, passed through Omaha today, en route to Wyoming to visit his daugh-ters. Respecting the report from Washington that his office was to be investigated with regard to promotion of clerks, he said he had no knowledge of anything of the kind, but would route to TOTA Washington have no objection to it. During his ad-ministration of the Land Office prome-tions had been made solely on merit, in accordance with the requirements of the civil service. Some clerks had heen reduced because of their inability to earn the salarles which they were receiving, and some of these ware probably responsible for the false re-port of an investigation.

Mrs. Maybrick Dodges Questions.

Ten boys of Harvey, a suburb of Chi-caro, have confessed in the Juvenile Court to the robbery of 18 stores, three churches, two schoolhouses and a rallroad station. They are of respectable families and were so penitent that they

were released. The body of Maurice Barrymore was interred yesterday in the Drew plot at Gienwood cemeters, Philadelphia. The fu-neral party went from New York in a special train and consisted of the dead actor's children, Ethel, John and Lienel, and a few intimate friends.

Escorted by a delegation from the var us Confederate Associations and Ladies' Confederate Memorial Association, the body of Miss Midred C. Lee, the youngest daughter of Robert EL Lee, was yesterday taken to the train at New Orleans to be sent to Lexington, Va., for burial.

Duke M. Farion, Chicago banker and religious enthusiast, and 60 members of his Metropolitas Hollness Church are quarantined on a big rock in the middle of the Illinois River Valley with no means of communication with the rest of the world, except by telephone. There are two smallpox cases among them and they do not believe in medical ald,

By the systematic use of various forms of hot and cold baths, jets and douches, vapor and hot-air baths, the Manhattan State Hospital, on Ward's Island, has done away entirely with sedative or medone away entirely with senative or in-chanical restraint for the patients, even when violently demented or in strong de-liriums. The physicians believe their treatment will save the life of every patient under delirium, unless some other form of insanity or physical disease sets

Rallroad Will Raise Immense Sum. PHILADELPHIA, March 29 .- The di ectors of the Pennsylvania Railroad Company today ordered an issue of 100,-00.000 convertible bonds at \$75 s share, maring 3% per cent interest. Half of the Issue was authorized two years ago, but has never been issued. About 425,090,000 will be used to take up notes due next Fail and \$25,000,000 will be expended to retire bonds maturing in June and July. The company will spend about \$2,500,000 on the New York tunnel and terminal project, and improvements to the extent of another \$21,500,000 are planned at dif-ferent points along the lines of the com-
