Lala and J. L. McGrew, stenographers to the President; H. A. Stachmeyer, photographer, and representatives of the newspaper press.

BEEF TRUST TAKES ITS TIME

Connors Fails to Demand Prompt Trial, and Files Demurrer.

CHICAGO, April 3.—Superintendent J. T. Connors, of Armour & Co., under indictment for alleged interfering with Federal grand jury witnesses, failed to appear in person before Judge Landis today, and thus failing to observe the formality of arraignment was unable to push a motion for an immediate trial. Judge Landis said that he would not be in Chicago again for at least two weeks from today. The case was continued until Saturday morning.

demurrer is general in its character and its main objection is that the indictment is insufficient.

STATE WILL INVESTIGATE

Equitable Affairs Under Scrutiny—Alexander's Reply to Hyde.

NEW YORK, April 3.—The most important development in the Equitable Life Assurance Society's affairs today was the announcement tonight by Governor Higgins, at Albany, and by President James W. Alexander, of the society, in this city, that the State superintendent of insurance, Francis Hendricks, had begun an investigation of the company's affairs.

In an authorized statement—the first Mr. Alexander has made since the State superintendent was called into the controversy—the president of the Equitable says that the investigation by Mr. Hendricks "is now in progress. Its result," he adds, "will establish the truth or falsity of many matters which are now being alleged on the one hand and controverted on the other."

Mr. Hyde's request for an examination of the society's affairs by the Superintendent of Insurance must be viewed as an acquiescence in the subject of serious criticism against his conduct as an officer of the society.

The section under which Mr. Hendricks today began his investigation is 29 of the Insurance Law, which provides that the Superintendent of Insurance may, as often as he deems it expedient, "appoint one or more persons to examine into and report on the affairs of any such corporation and its books with reference to its business."
