COOD AT SPRINTS

Fast Time at Columbia University Expected.

BEST MEN WILL CONTEST

Meet Next Saturday Promises Some Breaking of Records by Athletes of the Northwest Who Will Compete.

The feature of next Saturday's meet at Columbia will be the fast men in the sprints. It is doubtful if as jarge a number will appear in Portland again this year, except for the Lewis and Clark Kelly, of Columbia; Gammie, of M. A. A. C.; Smithson, of Corvallis; Peterson and Fletcher, of Pacific; Pollard and Nace, of Willamette; Moores and Fris-ael, of the University of Oregon, pitted against each other in the 50-yard and 220-yard dashes are sure to make some new Coast indoor records. In the open indoor meet, two weeks ago. Kelly defeated the Corvallis man and at the same time lowered the Coast indoor record for the coast indoor the coast indoor record for the coast indoor records. the 220-yard dash. The contest of the day will be between these two men for that distance and, as both are determin to win, it will not be at all surprising if the present record is equaled or even

owered another peg. The prettiest race of the day will be the quarter-mile run. Williams, of O. A. C., the holder of the Coast record; Mer-C., the bolder of the Coast record, Merrit, of Y. M. C. A. who has made very
good time in this event, can be depended

nights ago.

At a meeting of the track squad Dan Kelly, formerly of the Baker City High School, was elected captain of the Columcia University track team for the year. Although only a young lad, Kelly has made some very good records, but he is hindered from doing himself justice since he must distribute his energy among so many events. If he could give his time entirely to sprinting and leave out the est he would soon take rank with the

Manager Frank Lonergan has been kept very busy the last two weeks answering inquiries concerning next Saturday's meet and he promises an excellent bunch of contestants. At present Corvallis, Wil-amette, Pacific, Multnomah Club and Fort Stevens have notified the manager that they will send teams.

MIGHT DO AS PRIZE-FIGHTERS Spider Kelly Picks Out Lynch and Schlafly Will Back McLean.

Spider Kelly, the famous prizering second, will not be outdone by Kid McCoy, who discovered a ballplayer in the South this Spring who bids well to make a record as a fighter, says the San Francisco Bulletin. Kelly has a player, who is well known to the 129. fans of the Pacific Coast League, that he would willingly match with McCoy's discovery. Kelly's man is none other than Mike Lynch, Tacoma's stalwart

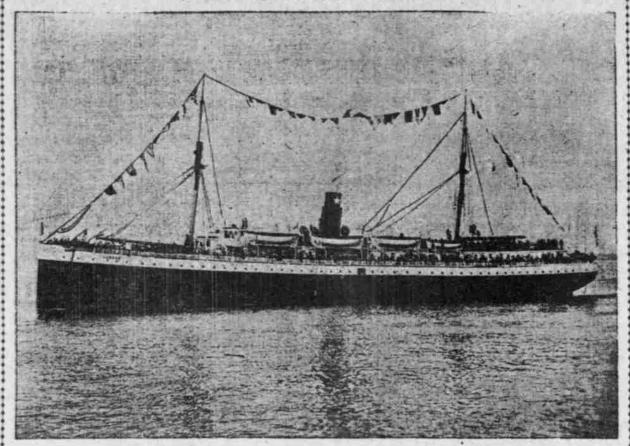

"If Lynch were a single man I'd pre-rail upon him to quit baseball and go to fighting," said Kelly yesterday. You may not know it, but I have had the gloves on with Lynch, and if I am any judge Mike would make a fighter. He has boxed a lot. In fact, he used to be Battling Nelson's sparring part-ner before he made his 'rep' in Cali-Mike used to spar with Bat around Chicago.

OREGON RETURNS TO PORTLAND

The steamship Oregon, which returned here early yesterday morning, shows no signs of the fire which broke out in her hold two months ago, while she was on the way from San Francisco to Portland, which, but for the prompt action of Captain Warner and his crew, would have put an end to the fine ship. The steamer was thoroughly repaired at San Francisco by the insurance people at a cost of about \$25,000 and in addition to this the San Francisco & Portland Company expended \$10,000 in refitting her throughout. The Orogon is in better condition now than she was when the company chartered her. Her charter will only extend until May 15, when she will be released and the St. Paul put on the routs. The St. Paul is in the hands of machinists and refitters at San Prancisco, being put in condition to handle the big business that will come with the opening of the Pair. Oil burners are being put in, which will enlarge her cargo space 300 tons. The passenger accommodations will also be increased.

If more than ordinary skill in playing brings the honors of the

game to the winning player, so exceptional merit in a remedy ensures the commendation of the well informed, and as a reason-

able amount of outdoor life and recreation is conducive to the health and strength, so does a perfect laxative tend to one's

improvement in cases of constipation, biliousness, headaches,

etc. It is all-important, however, in selecting a laxative, to

choose one of known quality and excellence, like the ever pleas-

ant Syrup of Figs, manufactured by the California Fig Syrup Co., a laxative which sweetens and cleanses the system effectually, when a laxative is needed, without any unpleasant after effects, as it acts naturally and gently on the internal organs,

simply assisting nature when nature needs assistance, without griping, irritating, or debilitating the internal organs in any way,

as it contains nothing of an objectionable or injurious nature.
