A World-Embracing Exposition of Dependable Linens for American Folk a Feature of Today's Remarkable Sale!

The Spring stocks are complete. As usual Ireland leads the exhibits with a superlative showing of her finest product. A product that tells the story of flax more interestingly than any other of the flax-growing countries of Europe. In today's exhibit one notes freshness, fragrance, elastic growth, strong fiber, beauty beneath a rough exterior, inherent virtues—Ireland itself, the Irish flax and Irish flax made into strong and good linens by Irish fingers under the direction of a linen house that's the head of the class for high on to a century—a house known for best linens wherever linens are used—the mater-familias of all other linens of any note in the civilized world. Know a store by its linens—a good linen store is safe to lean on in other lines. A store particular in its selections of linens will be critical in its entire stocks—THIS IS PORTLAND'S FOREMOST LINEN STORE—As dependable in linens as in all else; as dependable in all else as in linens—IN THIS SAFE STORE AN EASTER LINEN SALE STARTS TODAY. An exposition and sale of linens for all uses. These are the facts in general, and every housewife and every manager of a hotel, apartment-house or restaurant should be interested. Ireland, Scotland, Germany, Austria and Saxony are represented by their best products. We go direct to the fountain head of supply—to all the great linen centers, in order to fully meet every requirement of our customers. The prominent manufacturers not only hold for us their choicest productions, but adopt our suggestions and make to our order. Many small makers of some exclusive damask or a particular kind of towel, for example, give us to their entire product. We Deal With Manufacturers Only. In this sale it will pay to buy linens in sufficient quantities to last a year. A particular feature of today's exposition is the World-Famous Richardson Irish Linens—Detail in brief:

EXTRAORDINARY TWO-DAY SALE Of Women's Handsome Street Suits

Grand Salons of Dress—Second Floor.
 TODAY AND SATURDAY ONLY

\$25 and \$28.50 **SUITS AT \$18.85**

This store never does things by halves—strike straight from the shoulder is our motto, and this end-of-the-week offering is one of the most successful strokes of enterprise we've attempted this season in the big apparel store. We have several hundred fine "man-tailored" cloth suits, bought for Easter selling. Most stores would exact a profit during the selling season, and perhaps advertise reductions after Easter. We reduce the prices NOW, while people are buying for Easter wearing. Our patrons will appreciate this suit "flier." Come early, for the' there are suits enough for two days' selling, you'll find, of course, the better selection at the sale's start—this morning.
 Suits are in stammins, chevots, panne chevots, broadcloths and venetians, in blacks, browns, blues and tans. Blouse styles, with pelum and fancy vest; coat suits, in Norfolk styles and jaunty Etons. Trimmings of fancy braids and buttons, ornaments, fancy stitching and strappings. Coats lined with satin and taffeta; some have velvet collar. Skirts are full plaited and plaited from knee only. Very latest sleeve effects, in leg-o'-mutton and Bishop styles. Not a suit under \$25 in value, more at \$28.50.
