# CHILDREN AFFECTED

### By Mother's Food and Drink.

Many bables have been launched into life with constitutions weakened by disease taken in with their mother's sioner representing Montana at the last Legislature canceling all taxes Mothers cannot be too careful as to the food they use while nursing their babes. The experience of a Kansas City mother is a case in point:

ing me harm. For years I had been troubled with dizziness, spols before my eyes and pain in my heart, to which was eyes and pain in my nears, to which was added, two years ago, a chronic sour stomach. The baby was born seven months ago, and almost from the begin-ning it, too, suffered from sour stomach. She was taking it from me

"In my distress I consulted a friend of more experience than mine, and she told me to quit coffee, that coffee did not make good milk, and I have since ascerined that it really dries up the milk. "So I quit coffee, and tried tea and st

last cocoa. But they did not agree with me. Then I turned to Postum Coffee. with the happlest results. It proved to be the very thing I needed. It not only agreed perfectly with baby and myself but it increased the flow of my milk. My husband then quit coffee and used Post-um, quickly got well of the dysporsia, with which he had been troubled. I no longer suffer from the diminess, blind spells, pain in my heart or sour stomach.

Postum has cured them. "Now we all drink Postum, fr for any purpose whatever, shall be deemed to have been paid at the end of It has proved to be the best hot drink way have ever used. We would not give Name given by Postum Co., Battle Creek
