By Will G. MacRae. GLENDALE, Or., April 17.—(Staff correspondence.)—On board Southern Pacific train—Tomorrow morning Manager McCredie and his band of Giants will arrive here. On the same train that is bringing the Portland team home is also the Tacoma team, and Umpire Davis will go to Tacoma, and Portland will have a dose of Klopf.

SEALS ARE IN HARD LUCK

Neaton, Corbett, Mohler and Neal Out of the Game. SAN FRANCISCO, April 17.—(Special.)—Joe Neaton, Uncle Hank Harris' find, and one of the sensations of the baseball community, will be out of the game for two weeks and possibly three. In the first inning yesterday he swung at a ball and something snapped in his left arm. Mohler, with a broken collarbone, Corbett, under the weather with threatened pneumonia, and Neal out of the game with a bad arm, seriously affect the power of the team. It will be impossible for Harris to play, whether long on the initial sack, for he needs his services in the box. Tonight he wired to Stockton for Marry Murphy, who played last year for Seattle and Portland, and received an answer that he would be on hand in time for Tuesday's game against Oakland.

NATIONAL LEAGUE.

St. Louis 9, Chicago 5. ST. LOUIS, April 17.—The St. Louis Nationals took the final game from Chicago today, 9 to 5, and secured an even break in the series. The weather was cold and play on both sides was loose. The attendance was 1100. The score: R. H. E. Chicago 5 11 1 St. Louis 9 5 1 Batteries—Campbell and Warner; Brown and Kling. Umpire—O'Day.

Philadelphia 7, Brooklyn 4.

BROOKLYN, April 17.—In the teeth of a biting wind and an occasional flurry of snow, the Philadelphia Nationals scored their third successive victory over Hanlon's team at Washington Park today. The attendance was 1900. The score: R. H. E. Brooklyn 4 9 2 Philadelphia 7 4 1 Batteries—Dreescher, Scanlon and Rimer; Cerridon and Dodin. Umpire—Bauwaine.

Pittsburg 6, Cincinnati 4.

CINCINNATI, April 17.—The Pittsburg won from Cincinnati again today, the winfulness of the local pitchers being principally responsible for the defeat. In the ninth, with bases full, Seymour was called out on strikes, ending the game. The attendance was 1800. The score: R. H. E. Cincinnati 4 9 4 Pittsburg 6 10 1 Batteries—Walker, Overall and Phelps; Lynch and Peltz. Umpire—Klem.

AMERICAN LEAGUE.

New York 13, Washington 7. WASHINGTON, April 17.—New York played all around Washington and won the series. Townsend pitched a good game, but was given very ragged support. After the fourth inning the local team's errors settled the game. The attendance was 400. The score: R. H. E. Washington 7 8 5 New York 13 9 1 Batteries—Dreescher, Scanlon and Rimer; Putnam, Clark and McGuire.

Chicago 1, St. Louis 0.

CHICAGO, April 17.—St. Louis met de-

feat here today by Chicago by a score of 1 to 0 in an interesting 11-inning game. Holmes scored the winning run on Green's single. The weather was cold and the attendance 500. The score: Chicago 1 9 1 St. Louis 0 9 1 Batteries—White and Sullivan; Howell and Suggen.

Umpire Klopf Is Criticized.

SAN FRANCISCO, April 17.—(Special.)—A shift will be made this week in the umpires of the Coast League. Perine will be seen at Recreation Park, Davis will go to Tacoma and Klopf to Portland. Much just adverse criticism was engendered at many of the decisions rendered last week by Klopf. Last week men were fired for talking in a low tone to each other and Umpire Klopf overstepped his prerogatives in more than one instance. Tommy Sheehan's fine and removal from the game, according to old-time sports, was a flagrant error on the part of Klopf.

POSSART LED ALL THE FIELD

Five Lengths to the Good When He Passed the Stand.

SAN FRANCISCO, April 17.—Possart scored a popular victory when he romped home in the fourth race with Jockey Bullman sitting perfectly still, passing the judges' stand five lengths in front of his field. Tocolaw and Collector Jessup divided honors for the favorite in the third race, but the former took the lead from the start and won easily. The weather was cloudy and the track slow. The results: Three furlongs—Telephus won, Yako Jir second, Teardale third; time, 36 1/2. Futurity course—Distributor won, Pachara second, Parting Jennie third; time, 1:12 1/2. American Jockey Club Races.

ST. LOUIS, April 17.—American Jockey Club results were: Four furlongs—Colonial Lady won, Paul enter some man other than Stables. As Multnomah tucked boxes at the stipulated weight, 142, an attempt was made to get the Seattle club to withdraw its objection to him, but this was refused. Bennett was taken sick shortly after, and later the man who was entered in his place hurt his arm in practice. This left Seattle with only one man, and the club wrote that if he could be matched in size and weight 5 feet 8 inches and 125 pounds, they would enter Goodfellow. Edgar Frank went back a ready stating that the M. A. C. had no such weight, but that the club would waive the matter of weight and send up Bottler at 145 to go against Goodfellow. The Seattle club accepted this proposition by long-distance telephone yesterday, so that Bottler will now represent the M. A. C.

ST. LOUIS, April 17.—Fair Grounds results were as follows: Four furlongs—Joe Colson won, Pinstick second, Fargo third; time, 1:02 3/4. CLAUSES IN FARM CASES.

Hungarians Preparing for Independent Customs Tariff. BUDAPEST, April 17.—Since the movement to establish an independent National customs tariff for Hungary assumed its present importance, all agricultural leases contain a clause providing that in the event of a tariff being established the leases are void or will continue at a reduced rental, in order to enable the farmers better to meet the expenses of the first years under the independent tariff.

The case will come up before Municipal Judge Hogue for hearing this morning. Kane is charged with disorderly conduct.

PUT OFF FOR ONE DAY

Third Trial of Nan Patterson Briefly Postponed.

LETTERS ARE GIVEN BACK

Taken From Actress' Sister by the District Attorney—Smiths May Not Be Called as Witnesses After All.

NEW YORK, April 17.—There were two developments in the Nan Patterson case today, and another postponement of the trial of the actress until tomorrow was made, and the surrender by the District Attorney of letters and other effects whose recent seizure from the trunk of Mrs. J. Morgan Smith, Nan Patterson's sister, caused widespread interest.

The bundle of letters, after considerable legal sparring, was finally returned to Mrs. Smith's counsel, Mr. Limburger, this afternoon, and was opened by him before newspaper men. It contained, beside the letters, insurance papers and some personal effects of Mrs. Smith.

Mr. Limburger declared he believed that he had got everything seized by Mr. Rand, and added that this is just the beginning of the case, which will be argued Wednesday. Mr. Jerome said he did not see any need of the Wednesday proceeding, as "the case had been given up so far as he knew."

The trial of Nan Patterson for the murder of Caesar Young, which was postponed from last Monday, was again postponed today when the case was called in the Court of General Sessions. The delay this time, however, probably will be only for 24 hours, since the only thing needed for the final ruling by Justice Gaynor on a motion asking that District Attorney Jerome be ordered to surrender the papers confiscated when J. Morgan Smith and his wife were arrested in Cincinnati.

The first trial was interrupted by the illness of a juror when it was about half finished, and in the second trial the jury was unable to agree. A few days before the date set for the third trial, J. Morgan Smith and his wife, Miss Patterson's sister, who had been sought by the prosecution for months as witnesses against the young woman, were located in Cincinnati. The grand jury indicted them on a charge of conspiracy in connection with the Patterson case and they were arrested and held for extradition.

Since their return from Cincinnati, it has been said that they may not be called as witnesses after all.

It is expected that the third trial will develop some features that were altogether lacking when the case was in the courts before. Rumors of new witnesses and of promised sensations by both prosecution and the defense were plentiful today.

District Attorney Jerome and Assistant District Attorney Rand were served with the order of Justice Gaynor to surrender the Smiths' letters, during the day. Accompanying the order was a letter from Mr. Limburger, making a formal demand for the Smith letters. A package was given to the clerk who served the order.

Assistant District Attorney Rand said late today that he was in readiness for the trial of Nan Patterson tomorrow and that the case would proceed unless opposing counsel put some legal obstacle in his way.

Although the so-called Smith letters were returned by the District Attorney to the counsel for Mr. and Mrs. J. Morgan Smith today, the fight for their permanent possession is not ended. Soon after the papers had been returned to the District Attorney and Mr. Limburger, Assistant District Attorney Sanford was dispatched to Flushing to secure a modification of the court's order, which restrained the District Attorney from keeping the letters.

As the result of Mr. Sanford's mission, Justice Gaynor made an indorsement on the order, which gives the District Attorney opportunity to show why he has a right to keep them.

Santa Fe Machinists Have Spent Thousands So Far.

TOPEKA, Kan., April 17.—J. R. Buckalew, third vice-president of the International Association of Machinists, who is one of the leaders directing the strike of the union machinists against the Santa Fe Railroad, is in Topeka. He states that the machinists have spent upwards of \$350,000 in the strike against the Santa Fe during the past year.

The announcement is now made at the strike headquarters that unless the demands of the machinists and the boiler-makers are adjusted at once, a strike of the blacksmiths will next be called.

The General Manager H. U. Mudge, of the Santa Fe, stated today that of the 1000 boiler-makers in the company's service, 300 were out and that the road is not affected by the strike in the least. In this city the shops are running as usual today.

Change Is Not Announced.

BERLIN, April 17.—The Deutsche Tages Zeitung, organ of the Agrarians, which has been demanding that the government terminate the most-favored-nation treaty with the United States, says today without reservation, that the treaty soon will be denounced. Efforts to bring the American Press to a declaration of the Chancellor, or some member of the Cabinet, on the subject have not met by replies that the government is not yet ready to say anything regarding the United States and the trade conditions created by the new commercial treaties between Germany and the six continental states.

Schreck Puts Out Gardner.

SALT LAKE CITY, April 17.—Mike Schreck, Cincinnati, knocked George Gardner, Lowell, Mass., in the latter part of the 36th round of a furious 38-round contest tonight. Schreck won by a knockout right swing to the neck. Gardner rose before the tenth count, but was so weak that the referee stopped the fight to save him further punishment.
