Beef Trust Sends Away Employees Who Know Things.

ONE OF THEM HEADED OFF

Government Subpoenas Expert on Sheep Business After He Has Completed Arrangements for Flight.

CHICAGO, April 20.—(Special)—Government secret service men, it is said, have unearthed a move on the part of the packers to send employees out of Chicago before the Federal officials learn that they may be in possession of facts valuable in the investigation into the beef industry.

Today the first fruits of the attempt were shown when it was learned that C. J. Davis, head sheepherder for Armour & Co., was making preparations to leave the city. A subpoena was issued and a search begun for Davis. He had almost completed his plans to leave, it is said, and had even gone so far as to sell his home. He has been in the employ of Armour & Co. for a number of years and is said to be in possession of valuable facts.

The Government officials are said to have received repeated warnings that employees of the packers have been leaving the city from day to day, ostensibly to take up work in other packing centers. As a result the Federal authorities are said to view with suspicion any departure of packers' employees other than their traveling salesmen. Every effort is apparently being made to head off the alleged departures by the immediate issuance of subpoenas when the identity of any person is learned.

The grand jury today took up the investigation of the Actna Trading Company. A large number of witnesses were on hand. One of those who testified today is said to have been F. A. Fowler, manager of the beef department for Swift & Co.

District Attorney Morrison stated today that it is probable the investigation will be concluded by May 1. He said that, although the question of the part played in the beef business by the railroad companies may be taken up, it would not be under the interstate commerce laws, because this feature of the case is handled by the Interstate Commerce Commission, which is to meet in Chicago May 19. He also said that no part of the Garfield report on the beef industry was to be used in the grand jury investigation.

HAS BROKEN MISSOURI LAW.

State Attorney-General Confers With Garfield on Standard Oil.

KANSAS CITY, Mo., April 20.—James R. Garfield, Commissioner of Corporations and Herbert S. Hadley, Attorney-General of Missouri, held a conference today at the request of the Missouri official, who is pushing legislation into the Standard Oil Company's methods in this state. Before going into the conference, Mr. Hadley said: "We have already secured enough evidence to prove that the Standard Oil Company has been violating the laws in Missouri in monopolizing the oil products of the state.

There will be no Government investigation of the Standard Oil Company in Missouri for the present. After Mr. Garfield has finished his work in Kansas, California and Texas, he will take up the question of how the Standard sells oil in Missouri.

"I go from here to Topeka to finish some work there in about 25 days," said Mr. Garfield. "The agents of the Government are at work in Kansas and now will follow me when they have finished their work."

GARFIELD ADVISES PUBLICITY Says Corporations Would Thus Avoid Penalty After Wrong.

KANSAS CITY, Mo., April 20.—James R. Garfield, United States Commissioner of Corporations, was a guest of honor and principal speaker at a dinner given by the Knife and Fork Club tonight. He made no reference to his investigation of the alleged beef trust or of the Western oil field, but he made a plea for publicity in the conduct of the affairs of large corporations.

He said that publicity in the beginning was better than the inflicting of a penalty after a wrong had been done. He said that the business men of the country could do much to assist the Government by giving the fullest information regarding their methods of doing business. Substantial reform by the Government, he said, must be based upon the fullest knowledge and information of the methods of the corporations.

Mr. Garfield will leave here tomorrow morning for Topeka, and after finishing his work there will go to California.

Refuse to Take the Standard's Word.

TOPEKA, Kan., April 20.—The members of the State Board of Railroad Assessors announced that they will take a trip to counties in Southeastern Kansas where the Standard Oil Company has large holdings and make a personal inspection of the property of the company. The value as returned by the company in the Assessors is \$2,000,000. The members of the board refused to take this as final before seeing for themselves.

MRS. M'LEAN IS ELECTED

Daughters of Revolution Close Hot Presidential Contest.

WASHINGTON, April 20.—Mrs. Donald McLean, recent of the New York Chapter of the Daughters of the Revolution, was elected president-general of the National Society D. R., receiving 302 votes to Mrs. Sternberg's 222.

On the first ballot Mrs. McLean received 342 votes of a total of 777 cast, leaving her just 15 votes short of an election. Mrs. George Sternberg, District of Columbia, received 302 votes and Mrs. Charles W. Lippitt, of Rhode Island, 144 votes. Mrs. Lippitt withdrew from the contest and another ballot was ordered. Early in the second ballot it became evident that Mrs. McLean would receive at least a part of the vote cast on the first ballot for Mrs. Lippitt and her election, therefore, was practically assured. The ballot was not completed until 3:45 P. M. Then the congress took an hour's recess and the members of a clock routine business was transacted, while the delegates were awaiting the reports of the tellers.

Of the 16 candidates for the vice-president-general, more than ten, the number to be elected, received a majority of the votes cast. It was decided by the con-

gress that the ten receiving the highest number of votes should be declared elected. Among those elected vice-presidents general were Mrs. Mary Woodworth, San Francisco 315; and Mrs. Franklin H. Brooks, Colorado Springs, Colo., 417. Other officers elected were as follows: Recording secretary-general, Miss Mary Deha, Washington, D. C.; corresponding secretary-general, Miss Virginia Miller, Washington, D. C.; register-general, Mrs. Stewart Jamison, Washington, D. C. Reports of the work accomplished during the past year in the various states were made by the state regents. Mrs. Mary Lockwood and Mrs. Julia Hogg were unanimously elected honorary vice-presidents-general. Mrs. Donald McLean, the newly-elected president-general, gave a largely-attended reception tonight.

KILLED WIFE'S SEDUCER.

Gould Acquitted of Murder in Shooting Car Conductor.

CHICAGO, April 20.—Convicted that George Gould acted in self-defense when he shot and killed Alonzo Hammond, a jury in Judge Tutbill's court has returned a verdict of not guilty and Gould was released from jail. Hammond was killed by Gould, who was accused of having alienated the affections of Mrs. Gould. He pleaded self-defense, however, and said that Hammond had tried to draw a revolver.

The defense showed that Hammond, who was a conductor on the Metropolitan Elevated Railroad, had made the threat that would kill Gould on the elevated, boarded the elevated train, he said, to seek information from Hammond as to the whereabouts of Mrs. Gould, and the shooting which followed was in the presence of numerous passengers.

Timber Is Close to Chehalis. CHEHALIS, Wash., April 20.—(Special)—Brown Bros., formerly engaged in the sawmill business at Napavine, in partnership with John Binke, a well-known logger of this county, have bought the Leonard timber, about 20,000,000 feet, on Coal Creek, adjoining Chehalis, and will at once erect a sawmill with a capacity of about 40,000 feet daily. They will also operate a small shingle mill, as there is some cedar on their land.

The mill will be just outside the city limits and a spur will be run from the Northern Pacific railway to the mill extended into the woods for logging purposes.

To Entertain Methodist Visitors. HOOD RIVER, Or., April 20.—(Special)—Hood River Methodists are making extensive preparations to entertain the members of the Dallas district conference which meets here Tuesday, May 18, and continues over Sunday of that week. The annual convention of the Epworth League for the same district convenes here Friday of the same week.

An extended programme has been prepared for both conventions. Several able ministers will deliver addresses. The Dallas district embraces Pendleton on the East and Yakima on the north.

Licensed to Wed in Vancouver. VANCOUVER, Wash., April 20.—(Special)—W. G. Horton and Eunice Penman, both of Portland, were given a marriage license yesterday by Auditor Burnham.
